

How to Navigate the AAOMS Virtual Exhibit Hall

To Zoom:

You can zoom by clicking the +/- buttons on the right, by clicking and dragging the zoom slider, or by scrolling your mouse wheel.

To Pan:

You can pan the map by using the 4 directional arrows on the right, by clicking and dragging the selection box on the minimap, or by clicking and dragging anywhere on the main map that is not a booth.

To View Exhibitor Info:

Click a booth on the map to view the exhibitor info.

-Printing: Click the print button to print the exhibitor info.

-Link to Exhibitor Website: You can visit the exhibitor's website by clicking the web button.

To Use The Search:

The search is unique in that it will automatically perform the search 1 second after you stop typing. If you type only one letter the search will return all the exhibitors whose name starts with that letter. If you type more than one letter the search will return all the exhibitors whose name contains the search string you have entered.
