There is an audio component to online courses; a computer with speakers is required.

Current CDT, CPT and ICD-10-CM coding manuals are required for the online Basic Coding for OMS and Beyond the Basics Coding for OMS courses, as well as the in-person Beyond the Basics Coding Workshop. The ICD-10-CM for OMS course requires the ICD-10-CM coding manual. Current CPT and CDT coding manuals are required for the Coding for Implants and Bone Grafts course. The Medical Terminology and Oral Facial Anatomy 101, Medicare 101 for OMS and OMS Billing courses do not require coding manuals. AAOMS does not provide coding manuals.

Please Note

- Allied staff member pricing is available only to AAOMS fellows and members' staff who have applied and been approved for AAOMS membership. Registration rates are based on the registrant's membership status. Memberships are individual.
- **Registration fees for the courses are per person.** Online courses cannot be taken as a group. A registration form must be submitted for each person taking the course. Usernames and passwords for the online courses may not be shared.
- If sponsoring another dental professional who is not an AAOMS member, please download and submit a separate registration form. Email **coding@aaoms.org** for more information.
- Once you receive confirmation of registration to an online course, you will have immediate access to the course by using your AAOMS.org credentials. You will have 60 days to complete the online course. However, Beyond the Basics Coding online participants will have 90 days to complete the course.
- Current CDT, CPT and ICD-10-CM coding manuals are required for the online Basic Coding for OMS and Beyond the Basics Coding for OMS courses, as well as the in-person Beyond the Basics Coding Workshop. The ICD-10-CM for OMS course requires the ICD-10-CM coding manual. Current CPT and CDT coding manuals are required for the Coding for Implants and Bone Grafts course. The Medical Terminology and Oral Facial Anatomy 101, Medicare 101 for OMS and OMS Billing courses do not require coding manuals. AAOMS does not provide coding manuals.

Online Courses Cancellation Policy

Registration for online courses is final. No refunds will be granted for online courses. AAOMS will allow only one 30-day extension of a registrant's access to an online coding course upon written request up to 10 days prior to expiration of the registrant's access. Requests for extension within 10 days of expiration or thereafter will require a $100 reactivation fee. Once an extension is granted, the online course access will expire upon completion of the online course OR at the end of the 30-day extension period. This re-registration fee applies only to registrations made within the last year.
