

Faculty Positions

Illinois (Chicago)

The Department of Oral and Maxillofacial Surgery in the College of Dentistry at the University of Illinois at Chicago is seeking applications for a 12-month, tenure-track, faculty position at the rank of assistant professor. Salary and rank will be commensurate with experience. Applicants must be board-certified/active candidates for certification and have a CODA-accredited DDS or DMD degree, preferably also an MD degree, and be eligible for licensure in Illinois. Completion of a full-scope oral and maxillofacial surgery residency program, with additional fellowship training in head and neck oncology/microvascular reconstruction, is preferred. Responsibilities include resident and dental student training and education, participation in an intramural practice, professional service, and scholarly activity, including basic and clinical research. For fullest consideration, applicants should submit a letter of intent, a current curriculum vitae, and the names of three professional references to jobs.uic.edu/job-board/job-details?jobID=47421 by Aug. 16, 2018. Inquiries regarding this position may be addressed to: Michael Miloro, DMD, MD, Search Committee chairperson, University of Illinois at Chicago, Department of Oral and Maxillofacial Surgery, College of Dentistry MC 835, 801 S. Paulina St., Chicago, IL 60612, Phone: 312-996-1052, email: mmiloro@uic.edu. The University of Illinois is an affirmative action/equal opportunity employer. The College encourages applications from minorities, women, and persons with disabilities. The University of Illinois may conduct background checks on all job candidates upon acceptance of a contingent offer. Background checks will be performed in compliance with the Fair Credit Reporting Act.

Massachusetts

Full-time Faculty Position/Bone Biologist at Massachusetts General Hospital. The Department of Oral and Maxillofacial Surgery at Massachusetts General Hospital and Harvard School of Dental Medicine is seeking a bone biologist to augment the department's research efforts in the areas of bone biology, tissue engineering and rare jaw tumors. Existing grant support is preferred. The researcher would actively partake in all of the department's research initiatives, supervise dental and

medical students as well as graduate and postgraduate students. Academic rank and salary will be commensurate with the candidate's qualifications. Massachusetts General Hospital is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status or any other characteristic protected by law. Interested candidates should submit a letter of interest, curriculum vitae and two letters of recommendation to: Maria J. Troulis, DDS, MSc, FACS, Chief, Dept. of Oral and Maxillofacial Surgery, Massachusetts General Hospital, 55 Fruit Street, Warren 1201, Boston, MA 02114.

Massachusetts

Full-time Faculty Researcher at Massachusetts General Hospital in the Department of Oral and Maxillofacial Surgery. The Department of Oral and Maxillofacial Surgery at Massachusetts General Hospital is seeking an OMFS board-certified or active candidate for board certification who is a translational scientist to augment the department's research efforts in the areas of bone biology, tissue engineering and rare jaw tumors. In addition, the person would practice full-scope oral and maxillofacial surgery (approximately 25 percent, depending on grant availability). Academic rank and salary will be commensurate with the candidate's qualifications. Massachusetts General Hospital is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status or any other characteristic protected by law. Interested candidates should submit a letter of interest, curriculum vitae and two letters of recommendation to: Maria J. Troulis, DDS, MSc, FACS, Chief, Dept. of Oral and Maxillofacial Surgery, Massachusetts General Hospital, 55 Fruit Street, Warren 1201, Boston, MA 02114.

Massachusetts

Full-time Fellow/Faculty Position at Massachusetts General Hospital in the Department of Oral and Maxillofacial Surgery. Seeking a board-certified/eligible Oral and Maxillofacial Surgeon to augment the Department's clinical, educational and research programs. In

addition to practicing the full scope of oral and maxillofacial surgery, candidates must have an interest to learn or have expertise in temporomandibular joint surgery and reconstruction. The Department has an active Division of Orofacial Pain. Academic rank and salary will be commensurate with the candidate's CV. Massachusetts General Hospital is an Affirmative Action/Equal Opportunity Employer. We place a strong emphasis on the values of equality, diversity and compassion. Interested candidates should submit a letter of interest, curriculum vitae and two letters of recommendation to: Maria J. Troulis, DDS, MSc, FACS, Chief, Dept. of Oral and Maxillofacial Surgery, Massachusetts General Hospital, 55 Fruit Street, Warren 1201, Boston, MA 02114.

Massachusetts

The Department of Oral and Maxillofacial Surgery at the Boston University Henry M. Goldman School of Dental Medicine and Boston Medical Center invites applications for a full-time faculty position. The position requires graduation in oral and maxillofacial surgery from a CODA-accredited program or foreign equivalent. Applicants must be eligible for full or limited (faculty) licensure in the Commonwealth of Massachusetts. Primary responsibilities include didactic and clinical education of dental students and OMS residents in an outpatient clinical setting with emphasis on office-based surgery including dentoalveolar, ambulatory anesthesia and implant surgery. There are no required hospital-based operating rooms or on-call responsibilities. Multiple opportunities for scholarly activity, faculty development and research are readily available on campus. A competitive salary and generous benefits package, commensurate with experience and qualifications, are available. Interested candidates should submit a letter of interest including career goals, curriculum vitae to: Pushkar Mehra, BDS, DMD, FACS, Chairman, Oral and Maxillofacial Surgery, 100 E. Newton Street, Suite G-407, Boston, MA 02118, or email: pmehra@bu.edu. Boston University is an equal opportunity employer and encourages applications from minorities and women.

Missouri (St. Louis)

The Division of Oral and Maxillofacial Surgery at Mercy Medical Center in suburban St. Louis, Mo., is seeking applications for Director of the Oral and Maxillofacial Surgery Institute Educational Fellowship Program sponsored by the Oral Facial

Surgery Institute and Mercy. Responsibilities include recruitment, selection and clinical supervision of the Fellowship Program candidates, as well as participation in a busy clinical private practice. The Directorship position affords a unique opportunity to develop a senior place within a large, highly successful and diversified group private practice, and to serve as a clinical mentor to a new generation of full-scope Oral and Maxillofacial Surgeons in a nationally recognized Fellowship Program. Candidates must be committed to the objectives and goals of the Fellowship and possess leadership and managerial skills. Candidates willing to complete the Fellowship and transition into this position are preferred. However, consideration will be commensurate with qualifications and experience. Candidates must be board-certified or active candidates for board certification. Position is available July 1, 2018. Interested candidates may submit a confidential letter of intent and CV to Oral Facial Surgery Institute Attn: Michael W. Noble, DMD, Chairman of the Division of Oral and Maxillofacial Surgery and/or Scott Graham, MHA, FAADOM, FACMPE, Chief Executive Officer, 621 South New Ballas Rd., Suite 16A, St. Louis, MO 63141; phone 314-251-6725; fax 314-251-6726; email mwnoble@aol.com or scott@ofsinstitute.com; www.ofsinstitute.com.

Nebraska

The University of Nebraska Medical Center in Omaha is currently seeking a BC/BE Oral and Maxillofacial Surgeon to join our faculty. This career opportunity provides excellent opportunities to provide clinical care to patients and actively engage in teaching residents in academic and clinical setting in a 72-month, fully accredited OMFS residency program. Depending on interests and experiences of the candidate, there is potential for research activities. The faculty member will join the medical staff of Nebraska Medicine, the only state-designated Comprehensive Trauma Center serving both pediatric and adult patients. The range of services we provide includes (but is not limited to) corrective jaw surgery, temporomandibular joint disorders, pathology and reconstruction, facial injury treatment, wisdom tooth removal, and dental implant procedures. The ideal candidate must be an energetic, well-trained professional with good interpersonal skills who utilizes a team approach. As Nebraska's only public academic health sciences center, UNMC is committed to the education of a 21st century healthcare workforce, to

finding cures and treatments for devastating diseases, to providing best care for patients and to serve Nebraska and its communities through award-winning outreach. We offer a highly competitive benefits package and rank and salary commensurate with qualifications. Candidates interested in working within a dynamic and stimulation setting are encouraged to apply online. Applications are currently being accepted online at unmc.peopleadmin.com/postings/30992. Individuals from diverse backgrounds are encouraged to apply.

Oklahoma

Clinical Assistant/Associate Professor position at the University of Oklahoma HSC, College of Dentistry, available immediately or until position is filled. Responsibilities include supervision and instruction in pre-/post-doctoral clinical courses in oral and maxillofacial surgery and serve as the oral maxillofacial surgeon in the Dental Service at the Oklahoma VA Medical Center. The candidate should have a deep interest in resident education and a clinical focus should include pathology and reconstruction, sleep apnea, and ambulatory OMS procedures, including dental implant placement. The position will be a 0.5 full-time equivalent to a 1.0 full-time equivalent depending upon the interests of the candidate. Extramural practice is possible with a 0.5 FTE equivalent. The successful candidate will be compliant with policies and procedures of both the OUHSC and the VA Health System. Minimum qualifications: DDS/DMD from CODA-accredited dental school or foreign equivalent and completion of Part I and Part II of National Board Examinations; certificate in oral and maxillofacial surgery from CODA-accredited dental school and be board eligible or certified by the American Board of Oral and Maxillofacial Surgery; eligibility for Oklahoma specialty dental licensure; background clearance required. Salary and rank commensurate with qualifications and experience. Applicants will be reviewed as received. Send curriculum vitae and a list of three references to: Dr. Paul Tiwana, Oral & Maxillofacial Surgery, University of Oklahoma HSC, College of Dentistry, 1201 N. Stonewall Ave., Oklahoma City, OK 73117. OUHSC is an EO/AA Institution www.ou.edu/eoo. Individuals with disabilities and protected veterans are encouraged to apply.

Pennsylvania

Full-time faculty position, Oral and Maxillofacial Surgery. Temple University Kornberg School of Dentistry is seeking applicants for a full-time Oral and Maxillofacial Surgeon in the clinical track for the Department of Oral and Maxillofacial Pathology, Medicine and Surgery. The major responsibilities of this position will include didactic and clinical teaching at the pre-doctoral levels for at least three days per week in addition to direct patient care at the Temple University Kornberg School of Dentistry and its affiliated sites. The applicants must have a DDS/DMD recognized by the Council on Dental Education of the American Dental Association and successfully completed advanced training in Oral and Maxillofacial Surgery at an accredited institution. Applicants must be eligible for licensure in the Commonwealth of Pennsylvania, certified by the American Board of Oral and Maxillofacial Surgery or candidate for board certification. Expertise in pre-doctoral education and full-scope of Oral and Maxillofacial Surgery with emphasis on office anesthesia, Sleep Apnea and Orthognathic Surgery are highly desirable. Pursuit of scholarly activities is strongly encouraged. Salary and rank will be commensurate with experience and qualifications. Temple University is an equal opportunity/affirmative action employer. Women and minorities are encouraged to apply. For confidential consideration, interested individuals should email a cover letter, curriculum vitae, and three references to: Mehran Hossaini, DMD, mhossaini@temple.edu, Professor and Chair, Department of Oral and Maxillofacial Pathology, Medicine, Surgery, Temple University Kornberg School of Dentistry, 3223 North Broad Street, Philadelphia, PA 19140.

Wisconsin (Milwaukee)

The Division of Oral and Maxillofacial Surgery at the Medical College of Wisconsin (MCW) invites applications for a full-time faculty position at the assistant/associate professor level. Join a busy clinical practice at a Level I trauma center in a great location! Responsibilities include resident education, faculty practice, on-call responsibilities, and scholarly pursuits. For additional inquiries, please contact Dr. Carolyn Brookes at cbrookes@mcw.edu or 414-805-5788.

Wisconsin (Milwaukee)

The Oral and Maxillofacial Surgery division at the Medical College of Wisconsin (MCW) seeks applications for a division chief at the associate or full professor level. Advance your career at a center with a vibrant OMS practice in a well-respected, accredited residency training program. Our practice is broad scope and part of a tertiary care center serving adult and pediatric populations. Affiliations include Froedtert Hospital and Children's Hospital of Wisconsin, both Level I trauma centers, and the Zablocki Veterans Administration Hospital. We seek a candidate with a strong vision to promote divisional growth while upholding our tradition of excellence. Our ideal candidate demonstrates effective leadership and administrative skills and brings experience in resident education and research. Strong interpersonal skills are crucial to nurture and expand upon existing collaborations both within and beyond the rich MCW network. Applicants must be board-certified by and must be eligible for full or faculty licensure in Wisconsin. MCW is one of the largest healthcare employers in Wisconsin. We have a long-standing reputation of providing outstanding medical and graduate education, conducting cutting-edge biomedical research, providing innovative

and compassionate patient care, and improving the health of the communities we serve. We are an equal opportunity employer and do not discriminate against any employee or applicant for employment because of race, color, sex, age, national origin, religion, sexual orientation, gender identity, status as a veteran, and basis of disability or any other federal, state or local protected class. Please submit a letter of intent, CV and the names of three professional reference to Dr. Carolyn Brookes at cbrookes@mcw.edu. For additional inquiries, please contact Dr. Carolyn Brookes at cbrookes@mcw.edu or 414-805-5788.

Fellowships Non-CODA Accredited

Florida

A fellowship in cleft and craniofacial surgery is available at the Florida Craniofacial Institute. We are now taking applications for the July 2019 as well as July 2020 positions. This one-year fellowship is in a private practice environment in Tampa, Fla., and the focus is congenital craniofacial anomalies. The primary goal of the practice's cleft lip/palate and craniofacial fellowship is to educate and provide additional surgical training in the management and treatment of patients with craniofacial and/or facial differences. The fellow will work in conjunction with the cleft lip/palate and craniofacial team and will gain comprehensive experience and instruction in team-focused treatment. For information on the Florida Craniofacial Institute, visit www.FLCranio.com. Please email CV to admin@flcranio.com.

Florida

Miami Oral and Maxillofacial Surgery is sponsoring a fellowship in endoscopic maxillofacial surgery commencing July 1, 2018, and ending June 30, 2019. The preceptor of the fellowship is Joseph P. McCain, DMD, FACS, and the emphasis of the fellowship is on endoscopic maxillofacial surgery involving TMJ arthroscopy, sialoendoscopy, and endoscopic-assisted orthognathic and trauma surgery. The fellowship is pending CODA application submission. Upon completion of the fellowship, the candidates should be well versed in all forms of endoscopic maxillofacial surgery and be prepared to disseminate that information in educational venues and residency programs. Please

direct all inquiries to: Joseph P. McCain, DMD, FACS, phone 305-595-1905; cell 305-586-3943 or email jmccain@miamioms.com.

Louisiana

Louisiana State University (LSU) Health New Orleans is searching for a head and neck oncology and reconstructive surgery fellow for 2018-19. The program is based within the department of OMFS at LSU and provides comprehensive surgical training in head and neck cancer/microvascular flap reconstruction under the guidance of two fellowship-trained head and neck surgeons, Drs. Waleed Zaid and Beomjune Kim. The fellow will participate in all oncology and microvascular reconstructive cases and be responsible for seeing these patients in the clinic and hospital settings. The fellow will rotate on radiation oncology/medical oncology/surgical pathology and present at tumor boards so as to develop perspectives from other medical disciplines. The fellow is expected to become actively involved in not only patient care but also resident education and research. Patient care activities mainly take place at University Medical Center in New Orleans (UMCNO), a state-of-the-art medical facility, Touro Infirmary in New Orleans, and Our Lady of the Lake Regional Medical Center (LOL) in Baton Rouge, as well as other community hospitals. Use the following application link to apply: www.lsuhs.edu/Administration/hrm/CareerOpportunities/Home/Detail/1938.

Maryland/District of Columbia

A one-year postgraduate fellowship in orthognathic surgery is offered to recent graduates of accredited OMS programs. The fellowship is sponsored by Posnick Center for Facial Plastic Surgery. If accepted, the fellow will be required to obtain an active medical or dental license in the State of Maryland and the District of Columbia. A clinical appointment in the Department of Otolaryngology/Head and Neck Surgery at Georgetown University Hospital will be obtained. The philosophy of the fellowship is to enhance skills in facial esthetic analysis; assessment of head and neck functions, including the upper airway; the patient-doctor relationship; and surgical skills. Clinical activities primarily revolve around the evaluation and treatment of dentofacial deformities, the airway, and secondary cleft lip and palate issues. Each patient is followed through their initial consultation, further evaluation, collaborative treatment, immediate preoperative workup, operation, postoperative care and long-term follow-

up. The fellow will be Dr. Posnick's right-hand person, evaluating and managing the patient through all phases of care. There will be an opportunity for clinical research and publication of papers. A salary allowance is provided. Send inquiries to Jeffrey C. Posnick, DMD, MD, email jposnick@drposnick.com or phone 301-986-9475.

Massachusetts

OMFS Clinical Investigation Fellowship at Massachusetts General Hospital in the Department of Oral and Maxillofacial Surgery. The Department of Oral and Maxillofacial Surgery at Massachusetts General Hospital and the Center for Applied Clinical Investigation is offering a one- to two-year post-doctoral fellowship in Clinical Investigation (with possible MPH at Harvard School of Public Health certificate). The goal of the fellowship is to learn the principles and practice of patient-oriented research in preparation for an academic career as a clinical researcher in oral and maxillofacial surgery. Interested candidates should submit a letter of interest, curriculum vitae and two letters of recommendation to: Meredith August, DMD, MD, Dept. of Oral and Maxillofacial Surgery, Massachusetts General Hospital, 55 Fruit Street, Warren 1201, Boston, MA 02114.

Massachusetts

OMFS Pediatric Clinical/Research Fellowship at Massachusetts General Hospital in the Department of Oral and Maxillofacial Surgery. We are pleased to announce a unique one-year fellowship that combines laboratory and clinical research in the Department of Oral and Maxillofacial Surgery at Massachusetts General Hospital. The fellowship provides for 60% time dedicated to research and 40% on patient care with an emphasis on pediatric oral and maxillofacial surgery. Research is conducted at the MGH Oral and Maxillofacial Surgery Skeletal Biology Research Center and with a focus on skeletal molecular biology, wound healing, tissue regeneration and distraction osteogenesis. Patient care activity is at MGH for Children. Emphasis of both patient care and research in Pediatric OMFS. Fellows will be given a faculty appointment at the rank of Instructor and serve as attending surgeon on the Ward Service supervising residents and participating in the trauma on-call schedule. Interested candidates should submit a letter of interest, curriculum vitae and two letters of recommendation to: Zachary S. Peacock, DMD, MD, FACS, Dept. of Oral and Maxillofacial Surgery, Massachusetts General

Hospital, 55 Fruit Street, Warren 1201, Boston, MA 02114.

Missouri (St. Louis)

2019-2020 oral and maxillofacial fellowship. Sponsored by The Oral Facial Surgery Institute (www.ofsinstitute.com) and accredited by The Department of Graduate Medical Education at Mercy. This advanced accredited opportunity is a year of hospital-based oral and maxillofacial surgery centered at Mercy, a Level I trauma center in suburban St. Louis. This intensive fellowship program will focus on facial cosmetic, reconstructive, orthognathic, and TMJ surgery, facial trauma and complex dental implantology. Candidates must have completed an approved OMS residency. Missouri dental and/or medical licensure is required. Salary, benefits and continuing education allowance are included. Please send CV to AAOMS Classified Box A-4590.

Maryland (Montgomery and Frederick County)

Excellent opportunity. Well-established, multi-office practice (over 30 years) with established referral patterns and well-known in our community. Profitable system in place. Practice has maintained continued growth. Long-term partner is retiring and available and willing to help with transition. Competitive compensation to start. Benefits (malpractice, CE and board reimbursement, family health insurance and more) provided. You will join a successful team atmosphere. Dentoalveolar and dental implants are readily available and you will have the autonomy to take your practice in whatever direction that interests you. Partnerships are encouraged for those who are motivated. Please email cover letter and CV to omsmaryland@gmail.com.

Maryland/West Virginia/ Virginia/D.C. Metro

Excellent opportunity for a board-certified OMS or an active candidate for board certification in a multi-doctor, three-office practice just west of the Washington, D.C./Baltimore/Virginia metro area in Frederick and Hagerstown, Md., and Martinsburg, W.Va. Modern, state-of-the-art facilities. Full-

scope busy practice close to the amenities of the metropolitan area without all the congestion. Excellent schools and many outdoor activities: hiking, cycling, skiing and golf. Competitive salary and benefit package will be offered to an energetic, enthusiastic, motivated and well-trained individual. Send CV to fax 301-733-9600; email hnelson@omaxdocs.com or michele@omaxdocs.com.

Michigan

Well-established, solo practice in southwest Michigan looking for a motivated surgeon for associateship leading to partnership. Located in Kalamazoo, we are within an hour of Lake Michigan and home to both a Division I and Division III colleges. A Level-1 hospital and surgery center are within 5 miles of the office. The practice has complete digital medical records as well as three-dimensional imaging. Send a CV and contact information to hamlinoralsurgery@hamlinoralsurgery.com or visit www.hamlinoralsurgery.com.

Minnesota

A well-established OMS practice in Minneapolis/St. Paul area is looking for a board-certified or active candidate to join our 3-doctor team serving 2 locations as an associate leading to partnership. We are a full-scope practice with a loyal referral base that is well respected in the area. The Twin Cities consistently ranks in the top places to live in the U.S. Please send letter of interest & CV to DrT@stpauloralsurgery.com or call ph. 651-645-6429.

Minnesota

Well-established group practice outside the Twin Cities metro area is seeking a personable, well-trained and motivated candidate for associateship leading to partnership. Training Program. The Oral Facial Surgery Institute is a professionally managed practice with an excellent reputation and a vast network of regional referrals rendering complex care to a large region of the Midwest. Our facilities include seven private practice offices in outstanding, closely surrounding communities. All of our surgeons work directly with our fellows in an academic/private practice environment. We pride ourselves in providing superb, comprehensive care to our patients. St. Louis is a delightful city with a small-town feel and an excellent community to raise a family. No buy-in necessary for the right person. For confidential consideration, interested individuals should send a letter of intent and CV to Oral Facial Surgery Institute Attn: Michael W. Noble, DMD, Chairman of the Division of Oral and Maxillofacial Surgery and/or Scott Graham, MHA, FAADOM, FACMPE, Chief Executive Officer, 621 South New Ballas Rd., Suite 16A, St. Louis, MO 63141; phone 314-251-6725; fax 314-251-6726; email mwnoble@aol.com or scott@ofsinstitute.com; www.ofsinstitute.com.

Missouri

Well-established oral surgery practice seeks an associate OMS who is board-certified or an active candidate for board certification. We are a full-scope, two-office private practice in a university setting. An appointment at Washington University School of Medicine will be given in the Department of Otolaryngology, Head and Neck Surgery. Our practice is very active in the teaching hospital. Procedures include tumor excision and reconstruction, TMJ arthroplasty and replacement, orthognathic surgery, dentoalveolar, dental implants, facial implants, trauma, and hard and soft tissue grafting. We are looking for an associate to participate in all of the above as well as take care of tertiary care patients, i.e., pre- and post-cardiac, liver, lung, stem cell transplants, LVAD patients, etc. Contact Allen Sclaroff, DDS, professor of otolaryngology and oral and maxillofacial surgery, Department of Otolaryngology, Head and Neck Surgery, Washington University School of Medicine, St. Louis, MO; phone 314-361-6006; email asclaroff@aol.com; or Michael Kurtz, practice administrator, at 314-402-3427 or email mkurtz@uomfs.com.

New Jersey (Essex/Morris County)

Well-established, four-doctor OMS practice, strongly committed to quality patient care, seeking an OMS board-certified or an active candidate for board certification for associateship and partnership if desired. Three state-of-the-art offices with surgical suite and i-CAT. Excellent referral base with strong growth potential. Competitive salary with benefits including health and malpractice insurance and pension plan. Please forward CV to AAOMS Classified Box A-4560.
