

Faculty Positions

Michigan

Oral and Maxillofacial Surgery Faculty. The Division of Oral and Maxillofacial Surgery at Ascension-St. John Michigan is seeking applications for a full-time faculty position available July 1, 2020. The position is available at the assistant or associate professor level. Candidates must have a Doctor of Dental Surgery (DDS), Doctor of Dental Medicine (DMD), Doctor of Medicine (MD) or equivalent and be board certified or active candidates for board certification. Responsibilities of the faculty member will include didactic and clinical instruction at the pre- and post-doctoral levels, patient care as well as scholarly activity. The position offers the unique opportunity to develop a full scope academic practice while continuing to help develop the didactic curriculum. Candidate must display initiative, flexibility and a commitment to the goals and objectives of the program. Salary and benefits will be commensurate with qualification and experience. Please send a letter of intent and a curriculum vitae to Dr. Carlos A. Ramirez e-mail: carlos.ramirez@ascension.org.

Nebraska

The University of Nebraska Medical Center in Omaha is currently seeking a BC/BE oral and maxillofacial surgeon to join our faculty. This career opportunity provides excellent opportunities to provide clinical care to patients and actively engage in teaching residents in academic and clinical setting in a 72-month, fully accredited OMFS residency program. Depending on interests and experiences of the candidate, there is potential for research activities. The faculty member will join the medical staff of Nebraska Medicine, the only state-designated Comprehensive Trauma Center serving both pediatric and adult patients. The range of services we provide includes (but is not limited to) corrective jaw surgery, temporomandibular joint disorders, pathology and reconstruction, facial injury treatment, wisdom tooth removal, and dental implant procedures. The ideal candidate must be an energetic, well-trained professional with good interpersonal skills who utilizes a team approach. As Nebraska's only public academic health sciences center, UNMC is committed to the education of a 21st century healthcare workforce, to finding cures and treatments for devastating

diseases, to providing best care for patients and to serve Nebraska and its communities through award-winning outreach. We offer a highly competitive benefits package and rank and salary commensurate with qualifications. Candidates interested in working within a dynamic and stimulation setting are encouraged to apply online. Applications are currently being accepted online at unmc.peopleadmin.com/postings/30992. Individuals from diverse backgrounds are encouraged to apply.

Pennsylvania

Temple University Kornberg School of Dentistry is seeking applicants for a full-time faculty position in the clinical-track at an assistant or associate professor level for the Department of Oral and Maxillofacial Pathology, Medicine and Surgery. Major responsibilities of this position will include didactic and clinical teaching at the pre- and postdoctoral levels, in addition to direct patient care at the Temple University Kornberg School of Dentistry and its affiliated sites. The applicants must have a DDS/DMD from a program accredited by the Commission on Dental Accreditation (CODA) of the American Dental Association and must have successfully completed advanced training in oral and maxillofacial surgery at a CODA-accredited institution. Applicants must be eligible for full licensure in the Commonwealth of Pennsylvania, certified by the American Board of Oral and Maxillofacial Surgery or be a candidate for board certification. Expertise in pre-doctoral education and full-scope of oral and maxillofacial surgery with emphasis on office anesthesia, sleep apnea and orthognathic surgery are highly desirable. Pursuit of scholarly activities is strongly encouraged. Salary and rank will be commensurate with experience and qualifications. Temple University is an equal opportunity/affirmative action employer. Women and minorities are encouraged to apply. For confidential consideration, interested individuals should email a cover letter, curriculum vitae, and three references to: Mehran Hossaini, DMD, Professor and Chair, Department of Oral and Maxillofacial Pathology, Medicine and Surgery, Temple University Kornberg School of Dentistry, 3223 North Broad Street, Philadelphia, PA 19140, mhossaini@temple.edu.

Washington

The Department of Oral and Maxillofacial Surgery (OMS) at the University of Washington is searching for a full-time faculty member at the rank of clinical assistant or associate professor, salaried (non-tenure). Minimum requirements include a DMD/DDS degree from an ADA-accredited institution or equivalent and completion of a residency program in oral and maxillofacial surgery. MD or secondary degree in a related field is preferred. Candidates must be ABOMS-eligible or qualified and eligible for dental licensure in the state of Washington. Salary and academic rank will be commensurate with qualifications and experience. The Department seeks candidates who can engage productively in clinical activities as part of the faculty practice and contribute to the Department's research mission. The ideal candidate will practice the full scope of oral and maxillofacial surgery with a proven track record of building a clinical practice and a niche clinical interest, e.g. trauma, microvascular reconstruction, orthognathic, TMJ. The candidate will demonstrate a personal commitment to the goals and ideals of academic service including a desire to work in a teaching environment, collaborate in a dialectic culture and observe evidence-based clinical practices. Interested, qualified applicants should submit a personal statement along with a CV, the names and addresses of three references to Ms. Bridget Doyle (badw@uw.edu). Position is open until filled. For questions, please contact: Thomas B. Dodson, DMD, MPH, FACS, Professor and Chair, Department of Oral and Maxillofacial Surgery, email address: tbdodson@uw.edu.

Fellowships Non-CODA

Alabama

A one-year post graduate fellowship in orthognathic surgery & pediatric surgery is offered to recent graduates of accredited oral and maxillofacial surgery programs. The fellowship is sponsored by the University of Alabama at Birmingham Department of Oral and Maxillofacial Surgery. If accepted, the fellow will be required to obtain an active medical or dental license in the state of Alabama. A clinical appointment in the Department of Oral & Maxillofacial Surgery will be obtained. The philosophy of the fellowship is to enhance skills in facial esthetic analysis; assessment of head and neck functions, including the upper airway;

the patient-doctor relationship; and surgical skills. Clinical activities primarily revolve around the evaluation and treatment of dentofacial deformities, the airway, the secondary cleft lip and palate issues. This intensive fellowship program will focus on facial cosmetics, reconstruction, and some amount of trauma, TMJ and complex dental implants. Each patient is followed through their initial consultation, further evaluation, collaborative treatment, immediate preoperative workup, operation, postoperative care and long-term follow up. The fellow will work closely with Dr. Waite and other select faculty, evaluating and managing the patient through all phases of care. There will be an opportunity for clinical research and publication of papers. A salary allowance is provided. Send inquiries to Dr. Peter Waite, MPH, DDS, MD, FACS: email pwaite@uab.edu or phone 205-934-4345.

California

UCSF Fresno Department of Oral and Maxillofacial Surgery offers a 24-month fellowship in Head and Neck Oncology and Microvascular Reconstruction. There is one fellow position per year. Clinical activities include: head and neck cancer and benign tumor surgery – neck dissections, resections such as glossectomy, mandibulectomy, maxillectomy, orbital exenteration, etc.; trans oral robotic surgery and skull base surgery; airway management – tracheostomies and its variations including emergency airway management; reconstructive surgery of major oral/head and neck defects – microvascular free flaps, pedicled and other conventional flaps to reconstruct complex composite head, face and neck defects; radiation and medical oncology – one month rotating with radiation oncology, and one rotating with medical oncology to fully comprehend the multidisciplinary aspects of care for the head and neck cancer patient; craniomaxillofacial trauma – also will be involved in trauma ranging from frontal sinus/skull base fractures to penetrating tracheoesophageal injuries. Large avulsive soft tissue injury management also is included. The fellow will act in a teaching capacity supervising residents in the surgical treatment of craniomaxillofacial trauma; sleep apnea surgery – not officially part of the fellowship, the fellow will have involvement in the work-up and treatment of sleep apnea patients; research activities – complete at least 2 clinical research papers related to head and neck oncology and reconstructive surgery or other topics of interest. Interested

applicants please email Breana Dennie, bdennie@fresno.ucsf.edu. Include a CV, photo, two letters of recommendation and a letter describing your intentions/plans after fellowship training. If additional questions, also can email Brian Woo, DDS, MD, bwoo@communitymedical.org.

Florida

A fellowship in cleft and craniofacial surgery is available at the Florida Craniofacial Institute. We are now taking applications for the July 2020 as well as July 2021 positions. This one-year fellowship is in a private practice environment in Tampa, Fla., and the focus is congenital craniofacial anomalies. The primary goal of the practice's cleft lip/palate and craniofacial fellowship is to educate and provide additional surgical training in the management and treatment of patients with craniofacial and/or facial differences. The fellow will work in conjunction with the cleft lip/palate and craniofacial team and will gain comprehensive experience and instruction in team-focused treatment. For information on the Florida Craniofacial Institute, visit www.FLcranio.com. Please email CV to admin@flcranio.com.

Maryland/District of Columbia

A one-year postgraduate fellowship in orthognathic surgery is offered to recent graduates of accredited OMS programs. The fellowship is sponsored by Posnick Center for Facial Plastic Surgery. If accepted, the fellow will be required to obtain an active medical or dental license in the State of Maryland and the District of Columbia. A clinical appointment in the Department of Otolaryngology/Head and Neck Surgery at Georgetown University Hospital will be obtained. The philosophy of the fellowship is to enhance skills in facial esthetic analysis; assessment of head and neck functions, including the upper airway; the patient-doctor relationship; and surgical skills. Clinical activities primarily revolve around the evaluation and treatment of dentofacial deformities, the airway, and secondary cleft lip and palate issues. Each patient is followed through their initial consultation, further evaluation, collaborative treatment, immediate preoperative workup, operation, postoperative care and long-term follow

up. The fellow will be Dr. Posnick's right-hand person, evaluating and managing the patient through all phases of care. There will be an opportunity for clinical research and publication of papers. A salary allowance is provided. Send inquiries to Jeffrey C. Posnick, DMD, MD, email jposnick@drposnick.com or phone 301-986-9475.

Massachusetts

Junior faculty/fellowship position. Massachusetts General Hospital, Department of Oral and Maxillofacial Surgery. Massachusetts General Hospital (Partners Education Committee approved) announces the offering of a 2-year fellowship in endoscopic oral and maxillofacial surgery under the direction of Dr. Joseph McCain, Program Director. The goal of this unique educational opportunity is to train surgeons in the skills of endoscopic surgery of the maxillofacial region including temporomandibular joint (arthroscopy), salivary gland sialendoscopy, trauma repair and reconstruction. During the two-year fellowship period, scholarly activity and education on translational research, clinical trials, prospective and retrospective studies will be available. Great opportunity for clinical outcomes studies and translational bench work will be provided. The fellow will practice as an attending and gain experience in an academic "protected" environment. They will be expected to function as a primary attending for Level I Trauma, elective OMS and resident case coverage. They are fully expected to teach residents endoscopy and general OMS. Massachusetts dental license is required. Interested candidates should submit a letter of interest, curriculum vitae and two letters of recommendation to Joseph P. McCain, DMD, FACS, Director of Minimally Invasive and Temporomandibular Joint Surgery, Massachusetts General Hospital, 55 Fruit Street, Warren 1201, Boston, MA 0211.

Massachusetts

The Department of Plastic and Oral Surgery and Boston Children's Hospital is pleased to offer a one-year fellowship in Pediatric Craniomaxillofacial Surgery available July 2019. The fellowship provides a unique opportunity for an additional surgical training in pediatric oral and maxillofacial surgery as well as in the interdisciplinary management of children with cleft and craniofacial anomalies; temporomandibular joint disease; head and neck pathology; and vascular anomalies. Candidates

must have completed an OMS residency. Please submit a letter of interest and curriculum vitae to: Bonnie Padwa, DMD, MD, Department of Plastic and Oral Surgery, Boston Children's Hospital, 300 Longwood Ave., Boston, MA 02115; email bonnie.padwa@childrens.harvard.edu.

Missouri (St. Louis)

2020-21 oral and maxillofacial fellowship. Sponsored by The Oral Facial Surgery Institute (www.ofsinstitute.com) and accredited by The Department of Graduate Medical Education at Mercy. This advanced accredited opportunity is a year of hospital-based oral and maxillofacial surgery centered at Mercy, a Level I trauma center in suburban St. Louis. This intensive fellowship program will focus on facial cosmetic, reconstructive, orthognathic, and TMJ surgery, facial trauma and complex dental implantology. Candidates must have completed an approved OMS residency. Missouri dental and/or medical licensure is required. Salary, benefits and continuing education allowance are included. Please address curriculum vitae and letters of interest to: Dr. Michael W. Noble, chairman and director of oral and maxillofacial surgery, Attention: Scott E. Graham, MHA, FACME, FAADOM, Chief Operating Officer, 621 South New Ballas Road, Suite 16A, St. Louis, MO 63141, phone 314-251-6725, fax 314-251-6726, email scott@ofsinstitute.com or visit our website at www.ofsinstitute.com.

Nationwide

Want a career in cosmetic surgery? Get trained by the best. The American Academy of Cosmetic Surgery certified Facial and General Cosmetic Surgery Fellowships offer one-year, post-residency, hands-on training. Limited slots across the US. Must have completed a surgical residency in ACGME, AOA-BOS, Royal College of Physicians/ Surgeons of Canada, or ADA program. Apply at cosmeticsurgery.org or 312-265-3735.

North Carolina

The fellowship will provide extensive exposure and advanced clinical training for oral and maxillofacial surgeons in orthognathic surgery, temporomandibular joint surgery and complex implant reconstruction. The clinicians completing the fellowship throughout its 10-year history have subsequently applied their experience to both academic and private

practice settings. A substantial stipend is offered. The OMS selected for this position must be able to obtain either an unrestricted North Carolina dental license or North Carolina medical license, obtain hospital privileges and be available from July 1, 2019, through June 30, 2020. The candidate will have extensive exposure to consultations, diagnosis, interdisciplinary treatment planning, treatment and postoperative management of a wide array of patients. It is expected that the candidate will be involved with several hundred major surgical cases. Carolinas Center for Oral and Facial Surgery is located in Charlotte, N.C. CCOFS is a 12-surgeon practice over five offices in N.C. and two in S.C., each possessing OR facilities and accredited by the AAAHC. The surgeons are well-known locally and nationally in the OMS specialty. To apply, an application must be completed and returned by Oct. 31 of each year. The selection will be made on Dec. 31 of each year in order to allow time for licensure. Interested candidates can email dketola@mycenters.com for an application. For more information on the practice, log on to mycenters.com.

Oregon

Massachusetts

Well-established practice spanning over 50 years, located in a sea-coast community of southeastern Massachusetts is looking to hire a full-time associate with strong potential for partnership. This three surgeon

office-based practice has a strong referral base and an emphasis on dentoalveolar and implant surgery. Affiliated with the local hospital (0.4 miles). Competitive financial package and benefits available including pension and profit sharing plan. Reply to AAOMS Box A-010419.

Michigan

Board-certified or board eligible full time Oral Surgeon in Plymouth, Mich. Well-established, multiple-location, busy OMS group practice. We have a 25+ year practice with locations in the Plymouth, Ann Arbor/Ypsilanti and Chelsea, Mich., areas. We have a very strong referral base supported by excellent referral relationships throughout the area. 4.5-day work week – no evenings or weekends; collegial practice – surgeon-owned office with modern equipment including cone beam CT; host of a Seattle-Study-Club-based study club; safe and diverse cities; excellent public and private school opportunities; lakes and rivers within the community allow for a variety of outdoor activities – kayaking, boating, swimming, hiking, biking, fishing, hunting, zip lining and much more; outstanding cultural opportunities and sporting events including all Detroit sports teams only twenty minutes away. Contact information: please visit paaoralsurg.com or email Dr. Jeffrey Wasielewski at jeffwasdds@gmail.com.

Michigan

Busy southeast Michigan oral surgery practice looking for part-time or full-time associate with partnership opportunity if desired. Current practice is concentrated in dentoalveolar surgery, implants and pathology; however, the opportunity exists to develop your own scope of practice. Please send resume to OMScorp@yahoo.com.

Minnesota

A well-established OMS practice in Minneapolis/St. Paul area is looking for a board-certified or active candidate to join our 3-doctor team serving 2 locations as an associate leading to partnership. We are a full-scope practice with a loyal referral base that is well respected in the area. The Twin Cities consistently ranks in the top places to live in the U.S. Please send letter of interest & CV to DrT@stpauloralsurgery.com or call ph. 651-645-6429.

Minnesota

Long-standing, successful group practice in Twin Cities, Minn., is seeking a motivated, personable, board-certified or eligible surgeon to practice full-scope OMS across multiple locations. Compensation includes base salary plus production incentives, auto allowance, and a competitive benefits package. The Twin Cities offer some of the best school districts in the country with fun year-round outdoor recreation. Famous for cultural features such as theater, dining, the arts, shopping and all major sports leagues. This is a great opportunity for anyone looking for a position rooted in work-life-balance with professional growth. Thank you for your interest! Contact oralandmaxillofacialsurgery@outlook.com.

Missouri (St. Louis)

Outstanding opportunity for an Oral and Maxillofacial Surgeon to join a full-scope, hospital-based, group, private practice that also sponsors a nationally recognized, multi-focused Fellowship Training Program. The Oral Facial Surgery Institute is a professionally managed practice with an excellent reputation and a vast network of regional referrals rendering complex care to a large region of the Midwest. Our facilities include seven private practice offices in outstanding, closely surrounding communities. All of our surgeons work directly with our fellows in an academic/private practice environment. We pride ourselves in providing superb, comprehensive care to our patients. St. Louis is a delightful city with a small-town feel and an excellent community to raise a family. No buy-in necessary for the right person. For confidential consideration, interested individuals should send a letter of intent and CV to Oral Facial Surgery Institute Attn: Michael W. Noble, DMD, Chairman of the Division of Oral and Maxillofacial Surgery and/or Scott Graham, MHA, FAADOM, FACMPE, Chief Executive Officer, 621 South New Ballas Rd., Suite 16A, St. Louis, MO 63141; phone 314-251-6725; fax 314-251-6726; email mwnoble@aol.com or scott@ofsinstitute.com; www.ofsinstitute.com.

New Jersey

Upscale, well-established private practice with three locations in northern N.J. offering unique full-time associate and a distinct part-time opportunity to board-eligible or board-certified OMFS leading to partnership. 20 minutes from Manhattan. Multiple area and N.Y.C. hospital affiliations available. Excellent compensation with comprehensive benefits. Long-term experienced staff to assist with transition. Email resumes to info@njcosa.com.

New Jersey

A well-established and respected OMS practice in northern New Jersey has an exciting opportunity for a full-time oral surgeon. We are seeking a well-trained, highly motivated candidate with excellent surgical and interpersonal skills for a full-time associate position. Board-certified or active candidate for board certification preferred. Opportunity for full-scope practice in our state-of-the-art modern and well-equipped facility. Competitive compensation package with great benefits. Please email ecaola422@gmail.com.

New Jersey

A well-established oral and maxillofacial surgery practice that has been serving our community for over 45 years is seeking an associate. The candidate must be board-certified or board-eligible and committed to a high level of patient care. We are a multi-doctor practice with multiple locations in northern N.J. Our office provides i-CAT 3D imaging as well as a dedicated operating suite and facility for continuing education. Our practice has excellent growth potential. Early partnership opportunities are available for a motivated individual. Compensation package includes a guaranteed salary along with incentive program, as well as health benefits and expenses. Please send CV to AAOMS Classified Box A-010319.

New Jersey

Looking for an enthusiastic oral surgeon to join a highly reputable private practice with multiple locations throughout the beautiful suburban areas of Northern New Jersey and near the Jersey Shore. Randolph Center for Oral & Maxillofacial Surgery is a comprehensive provider for oral and maxillofacial surgery with affiliations at Morristown Medical Center and New York

Presbyterian Weill-Cornell Medical Center. This well-established, growing practice now has a great opportunity for a new and upcoming oral surgeon looking to gain experience at a state-of-the-art, full-scope practice. Randolph Oral Surgery is offering a full-time position to a board-eligible surgeon – an excellent salary and benefits package is included in this exciting opportunity! If interested in this position, please fax resumes to 973-328-3405. We are looking forward to hearing from you soon!

New York

Outstanding opportunity to join a growth-oriented, innovative multi-location OMS practice in Manhattan and the Tri-State region. We have commitments for many new locations in Connecticut, New Jersey and New York. The metropolitan New York City area is an excellent place to live/work with a vast array of educational, cultural and recreational activities. The ideal candidate must possess top skills and display excellent interpersonal skills. The Practice is office-based, full-scope dental alveolar and implant surgery under IV sedation and general anesthesia. The facilities and equipment are high quality and digital. Emergency room call and academic affiliations are available. The Practice is the employer of choice with the top compensation and equity participation for ideal candidates. Will support and assist in obtaining state licenses and U.S. work permits (including sponsoring green card or U.S. Citizenship). Email CV to robert.bodey@mofsnyc.com or contact Robert Bodey at 347-590-9910.

New York

Excellent opportunity to join a successful OMS practice in Westchester. Our practice focus is office based with a strong emphasis on dentoalveolar surgery, general anesthesia/sedation, implant surgery, bone grafting, major and minor pathology, and TMD. Excellent financial package and benefits available. Associateship leading to partnership for a motivated, friendly, hardworking and skilled surgeon. A great opportunity to live near NYC and experience the culture. Must have N.Y. state dental license and GA permit. Reply to OMSneeded@gmail.com.

New York

Our office is looking for an oral surgeon in our New York City area. Fresh graduates welcome. Part-time associate or full-time associate with partnership is possible. Please call 845-664-0584 or send an email at ajbaman@optonline.net.

New York

Well-established, 38-year-old practice looking for a full-time (4 days a week) OMS. The practice is located near the beautiful Great Sacandaga Lake and a short drive from Saratoga Springs. We have a large referral base and this is an excellent opportunity for an association leading to early partnership. The practice has full-scope dentoalveolar, pathology and implant surgery under IV sedation in office or general anesthesia in hospital located next to office. Very competitive salary with benefit package. Send CV and inquiry to FoxOralSurgery@gmail.com.

New York (Long Island)

Seeking energetic person to join a unique, multi-doctor practice. Association leading to partnership for motivated, personable and ethical OMS. Our group is office-/hospital-based and provides a full scope of oral and maxillofacial surgery, including cosmetic procedures. A full-time esthetician also provides nonsurgical cosmetic services in our medical spa. We offer an excellent salary plus a comprehensive benefit package that includes malpractice, health, life insurance, 401(k) and profit sharing. Reply to AAOMS Classified Box A-4442.

New York (Long Island)

Long-standing, established Nassau County practice seeking a motivated, ethical, hard-working and highly skilled full-time OMS. Reply to AAOMS Classified Box A-4416.

New York (Lower Hudson Valley)

Established, 64-year-old practice looking for board-certified/active candidate for certification OMFS for full-time position leading to early partnership. Emphasis on dentoalveolar, office-based, implants. General anesthesia, pathology, hospital call. Experienced staff, good systems in place, cone beam CT, EHR. Please send CV to AAOMS Classified Box A-11803.

New York (Saratoga Springs)

Outstanding opportunity to join a busy, multi-location, three-surgeon OMS practice in Saratoga Springs, N.Y. Saratoga is an excellent place to live and work with a vast array of cultural and recreational activities. Association leading to partnership for a motivated oral and maxillofacial surgeon who possesses top skills and displays excellent interpersonal skills. Practice is office-based, full-scope dentoalveolar and implant surgery under general anesthesia. Orthognathic, reconstruction, cleft lip and palate, pathology, and TMJ cases are available in the office and hospital settings. We offer a competitive salary plus a comprehensive benefits package that includes malpractice, health, life insurance, 401K and profit sharing. Send resumes to dwhitacre@scomsa.com.

Ohio

Solo practitioner wishing to retire in the next three years is seeking a partner to transition his orthognathic surgery-centered OMS practice in the Midwest. Located in large metropolitan area that features a well-diversified economy, major league sports and year-round cultural activities. It is unusual to find a practice that truly has a full-scope referral pattern. The OMS practice draws from a referral base all over the metropolitan area and receives referrals for orthognathic surgery from over 20 orthodontic practices within a 75-mile radius. One hundred orthognathic surgery cases are in the pipeline with insurance predetermination and patients in orthodontic treatment. Many cases are performed on a full-fee basis. Insurance payment for other orthognathic surgery cases average approximately \$8,000 per case. Practice averages 30-40 orthognathic surgery cases each year. Average gross of 1.5 million per year for a 4-4.5-day week. Owner has loyal referral base for dental implants, dentoalveolar surgery, temporomandibular joint arthroscopy and trigeminal nerve reconstruction. OMS does minimal cosmetic surgery trauma. The practice is in good alignment for growth in these areas. Office located next to large and growing suburban hospital. This is an excellent opportunity for OMS who wishes to truly practice full-scope oral and maxillofacial surgery starting the first day. Interested buyer must sign confidentiality/non-disclosure agreement. Reply to AAOMS Box A-010119.

Ohio

Well-established OMS practice located on the shores of Lake Erie is looking for an associate looking to become a partner. Busy, up-to-date, two-office practice located in a beautiful vacation area with an enormous opportunity. Reply to AAOMS Box A-110318.

Ohio

Well-established solo practice in NE Ohio seeking BE/BC candidate for associateship leading to ownership upon surgeon's retirement. The focus is on dentoalveolar surgery, third molar surgery, implant surgery and office anesthesia with unlimited opportunity for a full-scope practice. CBCT recently upgraded. Close proximity to regional trauma center. Excellent opportunity for recent graduate, retired military or satellite office. Reply to AAOMS Box A-010219.

Pennsylvania

Well-established, highly respected, thriving, two-office OMS practice in southern Chester County seeking an energetic, personable, highly motivated, team-oriented oral surgeon. Our practice mission is to provide exceptional patient care in a comfortable and safe manner with a well-trained staff and the most modern amenities. We are offering an associate position, which will transition into a partnership opportunity, with a competitive salary, malpractice, and health insurance, pension, continuing education compensation included. Our two state-of-the-art offices provide an excellent setting to provide full-scope OMS. Our offices are centrally located between New York, Philadelphia, and Washington, D.C. Chester County is an excellent place to establish a residence with school districts that are consistently ranked among the best in the nation. Reply to AAOMS Classified Box A-5001.

Toronto, Ontario

Full-scope oral surgery practice has an immediate need for a full-time associate. May lead to possible partnership opportunity. This high-volume, multi-doctor practice with mid- and downtown Toronto, Canada, locations has a well-established referral base and potential hospital availability. Onsite CBCT/digital X-rays. The position requires a board-certified or board-eligible oral and maxillofacial surgeon who has ambition! Email: admin@metropolitanoms.com.

Available Positions
