

Faculty Positions

Alabama

The University of Alabama at Birmingham School of Dentistry is accepting applications for a full-time faculty position in the Department of Oral and Maxillofacial Surgery. Academic rank and salary will be commensurate with qualifications and experience and approved through the standard processes of the University of Alabama at Birmingham and the School of Dentistry. This position will be tenure or non-tenure earning. Major responsibilities include patient care, resident teaching and research. This position is mainly clinical and the candidate should have an interest in major oral and maxillofacial surgery. The University of Alabama at Birmingham is a large Level 1 trauma and teaching hospital with 8 full-time surgeons and 3 full-time research faculty. The University of Alabama at Birmingham School of Dentistry has a high-patient volume with many dental specialties and research opportunities. The UAB Department of Oral and Maxillofacial Surgery is a clinical department within the University of Alabama Hospital and School of Dentistry. Candidates must be eligible to acquire a license to practice dentistry and medicine in the state of Alabama. Fellowship training is encouraged and strong interest in orthognathic trauma, obstructive sleep apnea, TMJ reconstruction and complex dental implants. The anticipated start date of this position is July 1, 2019. Send inquiries to Dr. Peter Waite, MPH, DDS, MD, FACS; email pwaite@uab.edu or phone 205-934-4345.

Massachusetts

The Department of Oral and Maxillofacial Surgery at the Boston University Henry M. Goldman School of Dental Medicine and Boston Medical Center invites applications for a full-time faculty position starting in July 2020. The position requires graduation in oral and maxillofacial surgery from a CODA-accredited program or foreign equivalent. Applicants must be eligible for full and independent dental licensure in the Commonwealth of Massachusetts, although applications from individuals eligible for limited, faculty licensure will be considered. Primary responsibilities include didactic and clinical education of dental students and OMS residents in an outpatient clinical setting with emphasis on office-based surgery including dentoalveolar, ambulatory anesthesia and implant surgery. There are no required hospital-based operating room or on-call responsibilities. Multiple opportunities for scholarly activity, faculty development and research are readily available on campus. A competitive salary and generous benefits package, commensurate with experience and qualifications, are available. Interested candidates should submit a letter of interest including career goals, curriculum vitae to: Pushkar Mehra, BDS, DMD, MS, FACS, Chair, Oral and Maxillofacial Surgery, 1635 Albany Street, Suite G-407, Boston, MA 02118, or email: pmehra@bu.edu. Boston University is an equal opportunity employer and encourages applications from minorities and women.

Michigan

Oral and Maxillofacial Surgery Faculty. The Division of Oral and Maxillofacial Surgery at Ascension-St. John Michigan is seeking applications for a full-time faculty position available July 1, 2020, with fellowship training in cleft and craniofacial surgery. The position is available at the assistant or associate professor level. Candidates must have a Doctor of Dental Surgery (DDS), Doctor of Dental Medicine (DMD), Doctor of Medicine (MD) or equivalent and be board-certified or active candidates for board certification. Responsibilities of the faculty member will include didactic and clinical instruction at the pre- and post-doctoral levels, patient care as well as scholarly activity. This position is fully system-supported to develop the service line within an expanding oral and maxillofacial program. The position offers the unique opportunity to develop a full-scope academic practice while continuing to help develop the didactic curriculum. Candidate must display initiative, flexibility and a commitment to the goals and objectives of the program. Salary and benefits will be commensurate with qualification and experience. Please send a letter of intent and a curriculum vitae to Dr. Carlos A. Ramirez, email: carlos.ramirez@ascension.org.

Michigan

The University of Michigan School of Dentistry is seeking applications and nominations for the Director of Predoctoral Oral and Maxillofacial Surgery. This is a full-time, open-rank faculty position in the Department of Oral and Maxillofacial Surgery/Hospital Dentistry. Academic rank, tenure status and salary will be commensurate with qualifications and experience. The Department of Oral and Maxillofacial Surgery, established in 1917, was one of the first training programs in the country and remains internationally renowned for excellence in the specialty. The ideal candidate should have a keen interest in teaching students and residents with a strong emphasis on dentoalveolar procedures, implantology and outpatient anesthesia. Responsibilities will include didactic and clinical teaching at the predoctoral and graduate levels as well as direct patient care in a faculty practice. The ideal candidate should bring leadership skills to optimize the clinical experience of trainees and foster a collaborative relationship with other clinical departments. Significant research opportunities exist and are encouraged. Candidates must possess a DDS/DMD or equivalent degree and must have completed a residency in oral and maxillofacial surgery. Candidates should be eligible to acquire a license to practice dentistry in the state of Michigan or be eligible to acquire a Clinical Academic Limited license in the state of Michigan. The University of Michigan School of Dentistry and the University of Michigan recognize and value contributions to diversity, equity and inclusion (diversity.umich.edu). We encourage applicants to comment in their cover letter and their statements on how their experience and leadership have contributed to enhancing diversity, equity and inclusiveness or their potential to make contributions in this area. Applicants should submit a curriculum

vitae, statement of interests and goals and names of three references via our secure website: facultyrecruiting.dent.umich.edu. Questions may be directed to the search committee chair, Sharon (Ron) Aronovich, DMD, FRCD(C), Clinical Assistant Professor, 734-763-5963, saronovi@med.umich.edu, or to Katrice Yarrington, search committee staff member, kyarring@umich.edu. Applications will be accepted and evaluated on an ongoing basis until the position is filled.

Nebraska

The University of Nebraska Medical Center in Omaha, Neb., is currently seeking an oral and maxillofacial surgeon and invites applications. As a full-time faculty member, the successful applicant will provide clinical care to patients and actively engage in teaching residents in academic and clinical settings in a 72-month, fully accredited OMFS residency program. The faculty member will join the medical staff of Nebraska Medicine, the only nationally certified Level I trauma center in Nebraska serving both children and adults. The range of services we provide includes (but is not limited to) corrective jaw surgery, wisdom tooth removal, facial injury treatment and dental implant procedures. Highlights of this outstanding opportunity include: potential for transition into program director role; substantial incentive program; highly competitive benefits package, including paid malpractice and relocation allowance. As Nebraska's only public academic health sciences center, UNMC is committed to the education of a 21st century healthcare workforce, to finding cures and treatments for devastating diseases, to providing the best care for patients, and to serve Nebraska and its communities through award-winning outreach. The successful candidate must be an MD/DO (or equivalent degree) who is board-certified in oral and maxillofacial surgery. Candidates should have outstanding interpersonal skills along with enthusiasm for patient care, medical student and resident education. Applications are currently being accepted online at unmc.peopleadmin.com/postings/42661. Individuals from diverse backgrounds are encouraged to apply.

Pennsylvania

Temple University Kornberg School of Dentistry is seeking applicants for a full-time faculty position in the clinical-track at an assistant or associate professor level for the Department of Oral and Maxillofacial Pathology, Medicine and Surgery. Major responsibilities of this position will include didactic and clinical teaching at the pre- and postdoctoral levels, in addition to direct patient care at the Temple University Kornberg School of Dentistry and its affiliated sites. The applicants must have a DDS/DMD from a program accredited by the Commission on Dental Accreditation (CODA) of the American Dental Association and must have successfully completed advanced training in oral and maxillofacial surgery at a CODA-accredited

institution. Applicants must be eligible for full licensure in the Commonwealth of Pennsylvania, certified by the American Board of Oral and Maxillofacial Surgery or be a candidate for board certification. Expertise in predoctoral education and full-scope of oral and maxillofacial surgery with emphasis on office anesthesia, sleep apnea and orthognathic surgery are highly desirable. Pursuit of scholarly activities is strongly encouraged. Salary and rank will be commensurate with experience and qualifications. Temple University is an equal opportunity/affirmative action employer. Women and minorities are encouraged to apply. For confidential consideration, interested individuals should email a cover letter, curriculum vitae and three references to: Mehran Hossaini, DMD, mhossaini@temple.edu, Professor and Chair, Department of Oral and Maxillofacial Pathology, Medicine, Surgery, Temple University, Kornberg School of Dentistry, 3223 North Broad Street, Philadelphia, PA 19140.

Tennessee

The Department of Oral and Maxillofacial Surgery at the University of Tennessee Health Science Center is seeking applicants for a full-time faculty position. Salary and rank will be commensurate with qualifications and experience. Responsibilities include clinical and didactic teaching of residents and dental students, trauma call coverage, scholarly activity and service. Candidates must be American Board of Oral and Maxillofacial Surgery-certified or active candidates for board certification. Applicants must be able to obtain a Tennessee dental license. The University of Tennessee is an EEO/AA/Title VI/Title IX/Section 504/ADA/ADEA institution in the provision of its education and employment programs and services. Interested candidates should send a letter of intent, curriculum vitae and two letters of recommendations to: Dr. Larry Weeda Jr., Professor and Chairman, Department of Oral and Maxillofacial Surgery, 875 Union Avenue, Memphis, TN 38163.

Virginia

Virginia Commonwealth University (VCU) School of Dentistry is seeking candidates for a full-time faculty position in the Department of Oral and Maxillofacial Surgery. This position is a term position. The salary and academic rank will commensurate with experience and qualifications. Responsibilities include supervision and teaching of dental students and residents in Oral and Maxillofacial Surgery. Participation in faculty practice and research is emphasized. Qualifications: Candidates must have a dental degree, have completed an approved oral and maxillofacial surgery residency, be eligible for licensure in Virginia and be board-certified or an active candidate for certification. Interest and/or experience in facial esthetic surgery is preferred. The candidate must have demonstrated experience working in and fostering a diverse faculty, staff and

student environment, or a commitment to do so as a faculty member at VCU. Application Process: Candidates must apply to this faculty position through the University's career website at vcujobs.com to be considered for faculty position: F63070. For further information about this position please contact Dr. George Deeb, Search Committee Chair, Department of Oral and Maxillofacial Surgery, VCU School of Dentistry at gdeeb@vcu.edu. VCU is an urban, research-intensive institution with a richly diverse university community and commitment to multicultural opportunities. Virginia Commonwealth University is an equal opportunity, affirmative action university providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability.

Washington

The Department of Oral and Maxillofacial Surgery (OMS) at the University of Washington is searching for a full-time faculty member at the rank of clinical assistant or associate professor, salaried (non-tenure). Minimum requirements include a DMD/DDS degree from an ADA-accredited institution or equivalent and completion of a residency program in oral and maxillofacial surgery. MD or secondary degree in a related field is preferred. Candidates must be ABOMS-eligible or qualified and eligible for dental licensure in the state of Washington. Salary and academic rank will be commensurate with qualifications and experience. The Department seeks candidates who can engage productively in clinical activities as part of the faculty practice and contribute to the Department's research mission. The ideal candidate will practice the full scope of oral and maxillofacial surgery with a proven track record of building a clinical practice and a niche clinical interest, e.g. trauma, microvascular reconstruction, orthognathic, TMJ. The candidate will demonstrate a personal commitment to the goals and ideals of academic service, including a desire to work in a teaching environment, collaborate in a dialectic culture and observe evidence-based clinical practices. Interested, qualified applicants should submit a personal statement along with a CV, the names and addresses of three references to Ms. Bridget Doyle (badw@uw.edu). Position is open until filled. For questions, please contact: Thomas B. Dodson, DMD, MPH, FACS, Professor and Chair, Department of Oral and Maxillofacial Surgery, email address: tbdodson@uw.edu.

Fellowships CODA

Michigan

The University of Michigan is offering a one-year fellowship for recent OMS graduates. The fellowship is sponsored by the section of Oral and Maxillofacial Surgery and will provide extensive experience in major operative room cases including orthognathic, TMJ, trauma and pediatric surgery. The fellowship aims to enhance skills in diagnosis and treatment for dentofacial disorders, obstructive sleep apnea, salivary gland disorders, minimally invasive TMJ surgery, autogenous and alloplastic TMJ total joint replacement, maxillofacial pathology as well as cleft and craniofacial disorders. The fellow will gain extensive experience in the use and application of new technologies such as virtual planning, custom implants and surgical navigation. In addition, the fellow will participate in collaborative team-based care in the management of obstructive sleep apnea, juvenile idiopathic arthritis affecting the TMJ and orofacial cleft conditions. The fellow will have the opportunity to participate in clinical research and publication of papers. Applicants must be eligible for a Michigan state dental license. Please submit a letter of interest and curriculum vitae to Sharon Aronovich (saronovi@med.umich.edu) or Sean P. Edwards (seanedwa@med.umich.edu).

Fellowships Non-CODA

Alabama

A one-year post graduate fellowship in orthognathic surgery & pediatric surgery is offered to recent graduates of accredited oral and maxillofacial surgery programs. The fellowship is sponsored by the University of Alabama at Birmingham Department of Oral and Maxillofacial Surgery. If accepted, the fellow will be required to obtain an active medical or dental license in the state of Alabama. A clinical appointment in the Department of Oral & Maxillofacial Surgery will be obtained. The philosophy of the fellowship is to enhance skills in facial esthetic analysis; assessment of head and neck functions, including the upper airway; the patient-doctor relationship; and surgical skills. Clinical activities primarily revolve around the evaluation and treatment of dentofacial deformities, the airway, the secondary cleft lip and palate issues. This intensive fellowship program will focus on facial cosmetics, reconstruction, and some amount of trauma, TMJ and complex dental implants. Each patient is followed through their initial consultation, further evaluation, collaborative treatment, immediate preoperative workup, operation, postoperative care and long-term follow up. The fellow will work closely with Dr. Waite and other select faculty, evaluating and managing the patient through all phases of care. There will be an opportunity for clinical research and publication of papers. A salary allowance is provided. Send inquiries to Dr. Peter Waite, MPH, DDS, MD, FACS: email pwaite@uab.edu or phone 205-934-4345.

California

UCSF-Fresno Department of Oral and Maxillofacial Surgery offers a 24-month fellowship in Head and Neck Oncology and Microvascular Reconstruction. There is one fellow position per year. Clinical activities include: head and neck cancer and benign tumor surgery – neck dissections, resections such as glossectomy, mandibulectomy, maxillectomy, orbital exenteration, etc.; trans Oral Robotic Surgery and skull base surgery; airway management – tracheostomies and its variations including emergency airway management; reconstructive surgery of major oral/head and neck defects – microvascular free flaps, pedicled and other conventional flaps to reconstruct complex composite head, face and neck defects; radiation and medical oncology – one month rotating with radiation oncology, and one rotating with medical oncology to fully comprehend the multidisciplinary aspects of care for the head and neck cancer patient; craniomaxillofacial trauma – also will be involved in trauma ranging from frontal sinus/skull base fractures to penetrating tracheoesophageal injuries. Large avulsive soft tissue injury management also is included. The fellow will act in a teaching capacity supervising residents in the surgical treatment of craniomaxillofacial trauma; sleep apnea surgery – not officially part of the fellowship, the fellow will have involvement in the work-up and treatment of sleep apnea patients; research activities – complete at least 2 clinical research papers related to head and neck oncology and reconstructive surgery or other topics of interest. If additional questions, also can email Brian Woo, DDS, MD, bwoo@communitymedical.org.

Florida

A fellowship in cleft and craniofacial surgery is available at the Florida Craniofacial Institute. We are now taking applications for the July 2020 as well as July 2021 positions. This one-year fellowship is in a private practice environment in Tampa, Fla., and the focus is congenital craniofacial anomalies. The primary goal of the practice's cleft lip/palate and craniofacial fellowship is to educate and provide additional surgical training in the management and treatment of patients with craniofacial and/or facial differences. The fellow will work in conjunction with the cleft lip/palate and craniofacial team and will gain comprehensive experience and instruction in team-focused treatment. For information on the Florida Craniofacial Institute, visit www.FLcranio.com. Please email CV to admin@flcranio.com.

Florida

The Pediatric Maxillofacial and Craniofacial Surgery Fellowship Program at University of Florida – Jacksonville, Department of Oral and Maxillofacial Surgery is offering a one-year postgraduate

fellowship commencing July 1, 2019, and ending June 30, 2020. This fellowship encompasses all aspects of pediatric maxillofacial and craniofacial procedures (15 years old and younger). In conjunction with the attending, our fellows work to provide comprehensive treatment of pediatric soft and hard tissues, and abnormalities of the maxillofacial and craniofacial region. This includes primary repair of cleft lip and palate as well as transcranial procedures. In addition, the fellow will work alongside a multidisciplinary team of specialists in head and neck oncology, ENT, plastic surgery and other disorders of the maxillofacial region in a dynamic surgical and clinical setting. Our fellows also have the opportunity to conduct research projects at both UF Jacksonville and Wolfson Children's Hospital. The fellow chosen for this position will be on-call for cases operated on by the pediatric craniomaxillofacial service. It is expected that the fellow will also cover the pediatric cranial and maxillofacial trauma as well as PICU and NICU consults from UF Jacksonville and Wolfson Children's Hospital. The fellow will attend clinic one half-day per week along with a full multidisciplinary cleft and craniofacial clinic two times per month. Interested candidates should contact 904-244-3689 or submit a letter of interest and CV via email to Barry Steinberg, MD, PhD, DDS, FACS, at barry.steinberg@jax.ufl.edu.

Massachusetts

Junior faculty/fellowship position. Massachusetts General Hospital, Department of Oral and Maxillofacial Surgery. Massachusetts General Hospital (Partners Education Committee approved), announces the offering of a 2-year fellowship in endoscopic oral and maxillofacial surgery under the direction of Dr. Joseph McCain, Program Director. The goal of this unique educational opportunity is to train surgeons in the skills of endoscopic surgery of the maxillofacial region including temporomandibular joint (arthroscopy), salivary gland sialendoscopy, trauma repair and reconstruction. During the two-year fellowship period, scholarly activity and education on translational research, clinical trials, prospective and retrospective studies will be available. Great opportunity for clinical outcomes studies and translational bench work will be provided. The fellow will practice as an attending and gain experience in an academic "protected" environment. They will be expected to function as a primary Attending for Level I Trauma, elective OMS and resident case coverage. They are fully expected to teach residents endoscopy and general OMS. Massachusetts Dental License is required. Interested candidates should submit a letter of interest, curriculum vitae and two letters of recommendation to Joseph P. McCain, DMD, FACS, Director of Minimally Invasive and Temporomandibular Joint Surgery, Massachusetts General Hospital, 55 Fruit Street, Warren 1201, Boston, MA 02111.

Massachusetts

The Department of Plastic and Oral Surgery and Boston Children's Hospital is pleased to offer a one-year fellowship in Pediatric Craniomaxillofacial Surgery available July 2020. The fellowship provides a unique opportunity for an additional surgical training in pediatric oral and maxillofacial surgery as well as in the interdisciplinary management of children with cleft and craniofacial anomalies; temporomandibular joint disease; head and neck pathology; and vascular anomalies. Candidates must have completed an OMS residency. Please submit a letter of interest and curriculum vitae to: Bonnie Padwa, DMD, MD, Department of Plastic and Oral Surgery, Boston Children's Hospital, 300 Longwood Ave., Boston, MA 02115; email bonnie.padwa@childrens.harvard.edu.

Missouri (St. Louis)

Florida Craniofacial Institute is looking for an associate to join our practice located in sunny Tampa, Fla. We are a growing OMFS practice, with opportunities for continued expansion. This is a

great opportunity for a surgeon to join a collegial group practice. We practice full-scope OMS in a unique setting, with the founding surgeon focused on pediatric cleft and craniofacial surgery. We offer competitive compensation package with benefits. Please send CV and inquiries to Peter Kemp at 813-870-6000, admin@flcranio.com.

Florida

Full-time oral and maxillofacial surgeon. Our practice allows you to live urban or suburban, as both offices are equidistant from Tampa's growing urban core. We are offering competitive salary plus bonus structure, 401K retirement plan, malpractice insurance and a genuine opportunity for partnership. Our team is motivated, fun, diverse, high-functioning and capable of supporting a wide scope of OMS procedures at both locations. The offices are well-managed, fully digital and integrated to allow secure remote access. We have outgrown our single owner/operator model. The practice can readily accommodate at least one additional OMS and we're still growing due to our pattern of high case acceptance and substantial number of referrals. BE/BC single or dual degree OMS are welcome to apply. We ensure confidentiality. Reply to advancedOSTampa@gmail.com.

Florida

South Florida Oral & Facial Surgery is currently seeking a board-certified/board-eligible associate with the opportunity to buy into our well-established, rapidly growing west Fort Lauderdale location. Practice was established 20+ years ago. We are a fee-for-service practice and also participate with only PPO insurance plans. Focused on dentoalveolar, implant reconstruction and pathology. Endless opportunity to add orthognathic and TMJ if desired. For more information on our practice, please visit www.OralFacialCosmeticSurgery.com. Contact Denise@DrSawisch.com with inquiries.

Florida

We are presently seeking an oral surgeon to join our family in central Florida. The position is not just a job opportunity with a successful and growing company. It is an opportunity to have an excellent earning potential and be happy while working with a private group manned by a solo practitioner. Have the ability to focus on patient care by delegating all the management and administrative stresses to us. Our doctors can focus on providing the best patient care possible. Quality of life is of utmost importance since you don't have to worry about insurance claims, payroll, staffing, accounting and marketing. You have the time to enjoy everything Florida life has to offer. Please send CV to OMFSneeded@gmail.com.

Florida (Orlando/Daytona/Jacksonville/Tampa/Ft. Lauderdale)

Join our 70-office group practice. Hospital privileges NOT required. Our current oral surgeons exceed \$600,000/year. Contact Dr. Andy Greenberg at 407-772-5120 or drgreenberg@greenbergdental.com. All contact kept confidential. Apply online – www.greenbergdental.com.

Georgia

Oral surgeon needed for large, multispecialty, multi-location group practice in Atlanta suburbs. No managed care. Full- or part-time positions available. Contact Vicky Jorgensen at 770-446-8000, ext. 0003, or email vjorgensen@dentfirst.com. Visit us online at www.dentfirst.com.

Illinois

Fifty-year-old established practice located in an affluent suburb, 60 miles northwest of Chicago, is looking to hire a full-time associate that can transition to partnership when senior doctor retires. Our practice is state-of-the-art, set in a casual loft design. It's supported by a community with strong growth in housing and retail. Public transportation via the Metra, which runs between the suburbs and Chicago, is one mile from our office. We are looking for an associate who exhibits leadership, great work ethic, compassion and professionalism in taking care of our patients as well as our support team. Our practice is a full-scope oral surgery office with emphasis on dentoalveolar, pathology and implant surgery. The doctors are on staff at a hospital that is five miles from our office. Benefits will include medical and malpractice insurance, hospital dues, society memberships, retirement contributions, board examination fees and vacation. Reply to jtrthomp@aol.com.

opportunity to obtain full partnership with an excellent salary/benefit package. Please email CV to Lhogan@midmaryland.com or fax: 301-694-7372.

Maryland

Offering an opportunity for an oral & maxillofacial surgeon to join a well-established, multi-office practice in Baltimore City and County. Leading to a full partnership. Email resume to dentalapplicant1900@gmail.com.

Massachusetts

Well-established, highly respected group practice serving southeastern Massachusetts for over 50 years is seeking a full- or part-time associate position. This three-surgeon practice has a strong referral base with an emphasis on dentoalveolar and implant surgery. A fast track to partnership possible with our senior partner recently retiring. Very competitive financial package and benefits offered, including strong base salary. Reply to AAOMS Classified Box A-010419.

Missouri (St. Louis)

Outstanding opportunity for an Oral and Maxillofacial Surgeon to join a full-scope, hospital-based, group, private practice that also sponsors a nationally recognized, multi-focused Fellowship Training Program. The Oral Facial Surgery Institute is a professionally managed practice with an excellent reputation and a vast network of regional referrals rendering complex care to a large region of the Midwest. Our facilities include seven private practice offices in outstanding, closely surrounding communities. All of our surgeons work directly with our fellows in an academic/private practice environment. We pride ourselves in providing superb, comprehensive care to our patients. St. Louis is a delightful city with a small-town feel and an excellent community to raise a family. No buy-in necessary for the right person. For confidential consideration, interested individuals should send a letter of intent and CV to Oral Facial Surgery Institute Attn: Michael W. Noble, DMD, Chairman of the Division of Oral and Maxillofacial Surgery and/or Scott Graham, MHA, FAADOM, FACMPE, Chief Executive Officer, 621 South New Ballas Rd., Suite 16A, St. Louis, MO 63141; phone 314-251-6725; fax 314-251-6726; email mwnoble@aol.com or scott@ofsinstitute.com; www.ofsinstitute.com.

Nevada

OMFS needed for busy, full-scope oral and maxillofacial surgery group practice in Las Vegas, Nev. We have two full-time offices (one in Henderson, one in NW Las Vegas). Would you enjoy working in a team environment where camaraderie is high, ethics and quality of care are paramount, and the sun is always shining? Ideal candidate will have excellent communication skills, have a great work ethic and a willingness to deliver stellar patient service. Great opportunity to accelerate your career path. We've been told we provide the most dental implants and all-on-4 cases west of the Mississippi. Trauma and orthog cases are seen here as well. Excellent salary/benefits package. Buy-in after first year (we are looking for someone who seeks partnership status). See our website at nofslv.com for more information about our practice and surgeons. Call Lorraine at 702-360-8918 or email lorraine@nofslv.com for more information.

New Jersey

A well-established and respected OMS practice with two locations in central New Jersey (close to New York City and Philadelphia – with their illustrious educational, cultural and recreational offerings), seeking a well-trained, highly motivated candidate with excellent surgical and interpersonal skills for full-time and part-time associate positions with partnership track. Board-certified or active candidate for board certification preferred. There is an opportunity for full-scope practice at both locations. Both office locations are state-of-the-art, modern and well-equipped facilities. We offer a competitive compensation package with great benefits. Please email CV to dr.edkozlovsky@gmail.com.

New Jersey

If you are motivated and understand what it takes to cultivate the optimal patient experience ... each and every time, please contact us. We are a well-established and still rapidly expanding full-scope, multi-office practice minutes from NYC with a focus on office-based oral surgery and affiliations at some of the region's most prestigious hospitals. We are the official oral surgeons of the New Jersey Devils, and we are seeking a full-time BC/BE partnership-minded associate to join our team with huge potential for more. info@riversideoralsurgery.com

New Jersey

Looking for an enthusiastic oral surgeon to join a highly reputable private practice with multiple locations throughout the beautiful suburban areas of Northern New Jersey and near the Jersey Shore. Randolph Center for Oral & Maxillofacial Surgery is a comprehensive provider for oral and maxillofacial surgery with affiliations at Morristown Medical Center and New York Presbyterian Weill-Cornell

Medical Center. This well-established, growing practice now has a great opportunity for a new and upcoming oral surgeon looking to gain experience at a state-of-the-art, full-scope practice. Randolph Oral Surgery is offering a full-time position to a board-eligible surgeon – an excellent salary and benefits package is included in this exciting opportunity! If interested in this position, please fax resumes to 973-328-3405. We are looking forward to hearing from you soon!

New Jersey

A well-established and respected OMS practice in northern New Jersey has an exciting opportunity for a full-time oral surgeon. We are seeking a well-trained, highly motivated candidate with excellent surgical and interpersonal skills for a full-time associate position. New York

We are seeking an OMFS, single- or double-degree candidate, who is board-certified or eligible. The group is focused on implants, dentoalveolar, bone grafting, third molars, pediatrics with multiple opportunities for major surgery, including orthognathic treatment. The ideal candidate should be skilled and enthusiastic with an interest in being a partner in the future. We are primarily a fee-for-service practice recently expanding by participating in several insurance plans. Interested candidates, please respond to: AAOMS Classified Box A-050119.

New York (Long Island)

Seeking energetic person to join a unique, multi-doctor practice. Association leading to partnership for motivated, personable and ethical OMS. Our group is office-/hospital-based and provides a full scope of oral and maxillofacial surgery, including cosmetic procedures. A full-time esthetician also provides nonsurgical cosmetic services in our medical spa. We offer an excellent salary plus a comprehensive benefit package that includes malpractice, health, life insurance, 401(k) and profit sharing. Reply to AAOMS Classified Box A-4442.

New York (Long Island)

Long-standing, established Nassau County practice seeking a motivated, ethical, hard-working and highly skilled full-time OMS. Reply to AAOMS Classified Box A-4416.

New York (Lower Hudson Valley)

Established, 64-year-old-practice looking for board-certified/active candidate for certification OMFS for full-time position leading to early partnership. Emphasis on dentoalveolar, office-based, implants. General anesthesia, pathology, hospital call. Experienced staff, good systems in place, cone beam CT, EHR. Please send CV to AAOMS Classified Box A-11803.

New York (Saratoga Springs)

Outstanding opportunity to join a busy, multi-location, three-surgeon OMS practice in Saratoga Springs, N.Y. Saratoga is an excellent place to live and work with a vast array of cultural and recreational activities. Association leading to partnership for a motivated oral and maxillofacial surgeon who possesses top skills and displays excellent interpersonal skills. Practice is office-based, full-scope dentoalveolar and implant surgery under general anesthesia. Orthognathic, reconstruction, cleft lip and palate, pathology and TMJ cases are available in the office and hospital settings. We offer a competitive salary plus a comprehensive benefits package that includes malpractice, health, life insurance, 401(k) and profit sharing. Send resumes to dwhitacre@scomsa.com.

North Carolina

Oral and maxillofacial surgeon desired for well-established, flourishing oral surgery and dental implant practice. The practice has the ability to perform the full scope of oral and maxillofacial procedures. The facility is equipped with state-of-the-art equipment and is due to expand. Applicant should be board-certified/eligible, possess excellent interpersonal skills, work ethic and have a compassionate patient care philosophy. Candidate also should be dedicated both professionally and socially to develop presence within the dental and medical community. Available technologies include cone-beam CT, multiple implant systems, PRF centrifuge systems, piezosurgery and general anesthesia capabilities. The office is located one block from a regional medical center. The practice is located in the greater Fayetteville region of North Carolina and is located 1 hour from Raleigh and 1 1/2 hours to the North Carolina coast and serves over 10+ surrounding counties.

North Dakota

Well-established solo practice in Fargo, N.D., is seeking a board-eligible/-certified single- or dual-degree oral and maxillofacial surgeon to join our practice. It is an economically growing region in the upper Midwest. The practice, at present, is full-scope. I have a very large implant practice and there is growth available in all aspects of the specialty. The practice draws from approximately a 100-mile radius and from about 80-100 possible referral sources.

Salary will be negotiable and competitive as well as a two-year associate contract leading to buy-in. Resumes can be mailed to the office (Attention: Amy) or email to amy@prairieoralsurgery.com. Feel free to visit our website at prairieoralsurgery.com.

Ohio

Excellent, established solo practice for sale in NE Ohio. Building owned by surgeon, suite is 3,200 square feet. Five operators, private office, staff lounge, 3 bathrooms. Recently upgraded CBCT. WinOMS software and new computers. Close proximity to regional trauma center. Flexible, transitional timetable. Excellent opportunity for recent graduate, retired military or satellite office. Reply to AAOMS Box A-010219.

Ohio

Well-established OMS practice located on the shores of Lake Erie is looking for an associate looking to become a partner. Busy, up-to-date, two-office practice located in a beautiful vacation area with an enormous opportunity. Reply to AAOMS Box A-110318.

Pennsylvania

Well-established, highly respected, thriving, two-office OMS practice in southern Chester County seeking an energetic, personable, highly motivated, team-oriented oral surgeon. Our practice mission is to provide exceptional patient care in a comfortable and safe manner with a well-trained staff and the most modern amenities. We are offering an associate position, which will transition into a partnership opportunity, with a competitive salary, malpractice and health insurance, pension, continuing education compensation included. Our two state-of-the-art offices provide an excellent setting to provide full-scope OMS. Our offices are centrally located between New York, Philadelphia and Washington, D.C. Chester County is an excellent place to establish a residence with school districts that are consistently ranked among the best in the nation. Reply to AAOMS Classified Box A-5001.

Quebec, Canada

A group practice of oral and maxillofacial surgeons with an established referral base and an experienced team seeks an oral and maxillofacial surgeon certified with the Royal College of Dentists in Canada. We have a full-scope practice in oral and maxillofacial surgery specialized in oral surgery, implants, orthognathic surgery, TMJ, sleep apnea and trauma (in a regional trauma center). Fluency in French is required. Please reply with curriculum vitae to: Clinique Maxillo-Mauricie; office: 819-378-4353; fax: 819-378-7661; email: info@maxillomauricie.com.

South Carolina
