

Faculty Positions

Indiana

Oral and Maxillofacial Surgery (OMFS) and Hospital Dentistry in the IU School of Dentistry seeks qualified applicants for a full-time (1.0) clinical track position at the rank of assistant or associate professor. Review of applicants will begin immediately with an anticipated appointment start date of Jan. 1, 2021. Responsibilities include didactic, academic and clinical instruction for the OMFS Pre-Doctoral and Residency program. Qualified candidates will 1) have a DDS/DMD/equivalent degree, 2) have achieved satisfactory completion of a CODA-accredited OMS residency program, 3) be eligible for or has current Diplomate status in the American Board of Oral and Maxillofacial Surgery and 4) be eligible to obtain an unrestricted dental license in the state of Indiana by the position start date. Interested candidates should review the application requirements and submit their application at indiana.peopleadmin.com/postings/8310.

Massachusetts

The Department of Oral and Maxillofacial Surgery at Boston University and Boston Medical Center invites applications for a full-time faculty position to augment its Oncological Surgery service. Applicants must be graduates of an ADA-accredited OMS residency program and have fellowship training in microvascular surgery. They must be eligible for independent, full licensure in the Commonwealth of Massachusetts and be OMS board-certified or active candidates for certification. Responsibilities include oncology fellow training, resident education and participation in the intramural faculty practice. Multiple opportunities for research are available on campus. A competitive salary and generous benefits package, commensurate with experience and qualifications, is available. Interested candidates should contact Pushkar Mehra, DMD, MS, FACS, via email: pmehra@bu.edu.

Massachusetts

The Department of Oral and Maxillofacial Surgery at the Boston University Henry M. Goldman School of Dental Medicine invites applications for a full-time faculty position. The position requires graduation from a CODA-accredited OMS program or foreign equivalent. Applicants must be eligible for licensure in the Commonwealth of Massachusetts. Responsibilities include education of dental students and OMS residents in an outpatient setting with emphasis on office-based surgery, including dentoalveolar and implant surgery and ambulatory anesthesia. There are no required hospital-based operating room or on-call responsibilities. Opportunities for scholarly activity, faculty development and research are readily available on campus. A competitive salary and benefits package, commensurate with experience and qualifications, are available. Interested candidates should send a

curriculum vitae to: Pushkar Mehra, BDS, DMD, MS, FACS, Chair, at: pmehra@bu.edu. Boston University is an equal opportunity employer and encourages applications from minorities and women.

New Jersey

Rutgers School of Dental Medicine Department of Oral and Maxillofacial Surgery is searching for a full-time surgeon at the Assistant or Associate Professor level on clinical track. Responsibilities will include staffing the undergraduate and resident clinics as well as participation in the didactic curriculum offered by the department. The ideal candidate must have completed an accredited OMS training program and be eligible for New Jersey dental licensure with board eligibility/certification. Faculty will be expected to participate in scholarly activities and will have the opportunity to participate in the intramural faculty practice. Position will remain open until filled. Salary and rank will be commensurate with experience and training. Rutgers School of Dental Medicine is a component of Rutgers, The State University of New Jersey, and is located on the Newark Campus of Rutgers Biomedical and Health Sciences Division, along with the Rutgers Medical School, the Graduate School of Biomedical Sciences, the School of Health Related Professions and the School of Nursing. Rutgers School of Dental Medicine is an Affirmative Action/Equal Opportunity employer. The final candidate will be required to successfully pass a criminal background check prior to beginning employment. Interested candidates should apply for this position at jobs.rutgers.edu/postings/119090. Any questions can be directed to: Vincent B. Ziccardi, DDS, MD, FACS, Professor, Chair and Residency Director, Department of Oral and Maxillofacial Surgery, 973-972 7462 or ziccarvb@sdm.rutgers.edu.

New York

The Lincoln Medical and Mental Health Center, Department of Oral and Maxillofacial Surgery, is seeking a qualified ABOMS-certified/-eligible with a DDS/DMD and optional MD. The candidate must have expertise in maxillofacial trauma management and the full-scope OMS. Additional duties include resident education (giving lectures, supervision during operating room and clinic procedures, take on-call), some predoctoral teaching/supervision and scholarly activity and other duties within the scope of an OMS attending. This is a full-time/part-time faculty position. The candidate must be eligible for licensure in N.Y. Salary is commensurate with experience. This opportunity is available immediately. Interviews will be conducted as applications are received. The position will be filled when a suitable candidate is identified. Please call 718-579-5957 or email Rawle.Phillbert@nychhc.org.

Pennsylvania

Dentist Anesthesiologist at Temple University Advanced Dental Sedation Center Full and Part Time. Temple University Maurice H. Kornberg School of Dentistry in Philadelphia is seeking applicants for a full-time (5 days a week) and part-time (1-2 days

per week) dentist anesthesiologist faculty position at a rank to be determined based on academic credentials. The candidate must have at least five years of experience working at a multidisciplinary sedation dental care center, preferably affiliated with an academic health center or a dental school. Experience working and teaching in a postgraduate dental or general anesthesia program is preferred. The dentist anesthesiologist will direct patient care as anesthesiologist in our 4-chair Sedation Center. The faculty will work with other dentists, specialists and residents who will provide the dental treatment or provide dental examination and follow-up evaluation. The Center is designed to provide care to a diverse patient population, which includes but is not limited to, patients with behavioral, developmental or intellectual disabilities; pediatric patients; adults with dental anxiety, fear or phobia; and those in need of complex oral surgical procedures. The selected full-time faculty will participate in teaching activities, such as didactic and clinical instruction of pre-doctoral or postdoctoral students or residents in local anesthesia and sedation techniques, credentialing and CE for faculty of the sedation center, medical emergency training for pre-doctoral and post-doctoral students, nitrous oxide for pre-doctoral students, and sedative and analgesic techniques for students and faculty. Knowledge of dental and medical insurance, credentialing, certification and reimbursement for sedation care is necessary. Candidates must be an active clinician and dentist anesthesiologist who is certified by the American Dental Board of Anesthesiology or eligible for board certification. Eligibility for unrestricted licensure and General Anesthesia Permit in the Commonwealth of Pennsylvania is required. Salary and rank will be commensurate with experience and qualifications. Interested applicants should send a cover letter indicating interest, date of availability, a current curriculum vitae and three references to: Temple University Kornberg School of Dentistry, 3223 North Broad Street, Philadelphia, PA 19140, or via email at: jo.ann.nyquist@temple.edu (for full time) or sean.patton@temple.edu (for part time). Temple is an equal opportunity/affirmative action employer. Women and minorities are encouraged to apply.

Pennsylvania

Seeking Assistant Clinical Professor, Oral and Maxillofacial Pathology. Temple University Kornberg School of Dentistry (TUKSOD) is seeking applicants for a faculty position in the clinical track at an assistant professor level for the Department of Oral and Maxillofacial Pathology, Medicine and Surgery. This will be a joint appointment between TUKSOD and Lewis Katz School of Medicine (LKSOM). At TUKSOD, the major responsibilities of this position will include developing an oral pathology clinical service, didactic teaching at the pre- and postdoctoral levels with a major emphasis on patient-centered clinical applications in oral medicine and oral pathology, and research especially focused on immunology and the oral microbiome. At LKSOM, the faculty will provide clinical services in oral pathology biopsy service and clinical and didactic instruction to medical

students, and residents as assigned. The applicants must have a DDS/DMD from a program accredited by the Commission on Dental Accreditation (CODA) and must have successfully completed advanced accredited education in Oral and Maxillofacial Pathology. Applicants must be eligible for full licensure in the Commonwealth of Pennsylvania, certified by the American Board of Oral and Maxillofacial Pathology or be a candidate for board certification. Expertise in pre-doctoral education and clinical Oral and Maxillofacial Pathology with emphasis on multidisciplinary patient care and laboratory medicine is required. Pursuit of scholarly activities is strongly encouraged. Salary and rank will be commensurate with experience and qualifications. Interested applicants should send a cover letter indicating interest, date of availability, a current curriculum vitae and three references to: Associate Dean Jo Ann Nyquist, Temple University Temple University Kornberg School of Dentistry, 3223 North Broad Street, Philadelphia, PA 19140, or via email at: jo.ann.nyquist@temple.edu.

Texas

The Department of Oral and Maxillofacial Surgery at Texas A&M College of Dentistry in Dallas is seeking a full-time, non-tenured faculty member at the rank Clinical Assistant or Associate Professor. Responsibilities include didactic/clinical teaching at the post- and predoctoral levels, supervision of OMS residents, providing direct patient care as part of the faculty practice – including on-call coverage, participation in research and other collaborative activities. Applicants must have a DDS/DMD or equivalent, have completed an ADA-accredited OMS residency program, be board-certified or actively seeking board certification and be eligible for a Texas dental license. An additional desirable accomplishment is the completion of a fellowship in Head and Neck Oncology. Apply through Interfolio at apply.interfolio.com/78708. Submit inquiries to hzimmerman@tamu.edu.

Texas

UT Health San Antonio Department of Oral and Maxillofacial Surgery is seeking applications for a full-time faculty position at the Assistant Professor level. The duties of the faculty member will include participation in patient care, teaching and research. Candidates fluent in Spanish are preferred. Applicants for the position should have a Dental Degree recognized by the Commission on Dental Accreditation of the American Dental Association or equivalent foreign BDS or DDS training and must have successfully completed advanced training in Oral and Maxillofacial Surgery at an institution accredited by the Commission on Dental Accreditation. Applicants must be eligible for dental licensing in the state of Texas. All faculty participate in and receive salary augmentation through the Dental School's faculty practice plan. Applicants should apply on the UT Health San Antonio Careers

page located at uthscsa.referrals.selectminds.com/faculty. Please create a profile and submit your application. Applicants for the position are welcome to call 210-450-3112 if they have further questions. Formal applications should include a narrative statement of interests, Curriculum Vitae and three letters of reference. UT Health San Antonio is an Equal Employment Opportunity/Affirmative Action Employer including protected veterans and individuals with disabilities. All faculty appointments are designated as security sensitive positions.

Washington

The Department of Oral and Maxillofacial Surgery (OMS) at the University of Washington seeks a full-time faculty member at the rank of clinical assistant or associate professor, salaried (non-tenure), who can engage in clinical activities as part of the faculty practice and contribute to the Department's research and teaching missions. The ideal candidate will practice the full scope of OMS and have a niche clinical interest, e.g., trauma, microvascular reconstruction, orthognathic or TMJ. Interested applicants should submit a personal statement, a CV, and the names and addresses of three references to Ms. Sara Paul (sarapaul@uw.edu). For questions, please contact: Dr. Dodson, Professor and Chair, Department of Oral and Maxillofacial Surgery, email address: tbodson@uw.edu.

Fellowships CODA

California

The San Diego Center for Oral and Maxillofacial Surgery is offering a one- or two-year fellowship in maxillofacial surgery. The practice participates in full-scope oral and maxillofacial surgery, which includes a very busy implant practice, orthognathic surgery, reconstructive surgery, ablative surgery for tumors, cosmetic surgery as well as dental alveolar. The candidate would participate in the Craniofacial Center at Children's Hospital and be a participant in Tumor Board. Candidates should be dual-degree and have a California medical or dental license. Please reply to patty@sandiegooms.com.

Fellowships Non-CODA Accredited

California

UCSF-Fresno Department of OMFS offers a 24-month fellowship in Head and Neck Oncology and Microvascular Reconstruction. There is one fellow per year. Activities include malignant and benign tumor surgery – neck dissections, glossectomy, mandibulectomy, maxillectomy, orbital exenteration, etc.; TORS and skull base surgery; tracheostomies; microvascular free flaps, pedicled and other flaps. Radiation and medical oncology rotations. The fellow will act in a

teaching capacity, supervising residents at times. The fellow will have involvement in sleep apnea cases. Research: complete two papers related to cancer and reconstruction. Applicants please email Breana Dennie, bdennie@fresno.ucsf.edu. Include CV, photo, two letters of recommendation and a letter describing intentions/plans after fellowship. For additional questions, email Brian Woo at bwoo@communitymedical.org.

Florida

A fellowship in cleft and craniofacial surgery is available at the Florida Craniofacial Institute. We have recently begun interviews for the July 1, 2022, position. This one-year fellowship is in a private practice environment in Tampa, Fla., and the focus is pediatric OMFS, cleft and craniofacial surgery. The primary goal of the fellowship is to educate and provide additional surgical training in the management and treatment of patients with congenital facial anomalies. The fellow will work in conjunction with the cleft lip/palate and craniofacial team and will gain comprehensive experience and instruction in team-focused treatment. For information on the Florida Craniofacial Institute, visit www.FLCranio.com. Please email CV to admin@flcranio.com.

Florida

The Pediatric Maxillofacial and Craniofacial Surgery Fellowship Program at University of Florida – Jacksonville, Department of Oral and Maxillofacial Surgery is offering a one-year postgraduate fellowship commencing July 1, 2022, and ending June 30, 2023. Significant improvements to the program have occurred recently. We now have six designated faculty, all with appointments to the department and fellowship specifically. This includes the pediatric OMFS and fellowship director, a pediatric neurosurgeon (associate program director), 2 pediatric plastic surgeons (1 is craniofacial trained) and 2 pediatric ENT surgeons. The fellow has the opportunity to operate with all of them and greatly expand surgical scope. This fellowship encompasses ALL aspects of pediatric maxillofacial and craniofacial procedures (15 years old and younger). In conjunction with the attendings, the fellows work to provide comprehensive treatment of pediatric soft and hard tissues and abnormalities of the maxillofacial and craniofacial region in a dynamic surgical and clinical setting. This includes primary repair of cleft lip and palate as well as transcranial procedures. Our fellows also have the opportunity to conduct research projects at both UF Health Jacksonville and Wolfson Children's Hospital. The fellow will be on-call for cases operated on by the pediatric craniomaxillofacial service. It is expected that the fellow (shared coverage with an OMFS senior resident on service) will also cover the pediatric cranial and maxillofacial trauma as well as PICU and NICU consults from UF Health Jacksonville and Wolfson Children's Hospital. The fellow will attend pediatric craniomaxillofacial clinic weekly along with a weekly multidisciplinary cleft and craniofacial clinic. Interested candidates should contact

904-244-3689 or submit a letter of interest and CV via email to Barry Steinberg, DDS, MD, PhD, FACS, at Barry.Steinberg@jax.ufl.edu.

Massachusetts

Acquire the skills of Endoscopic Surgery of the maxillofacial region, including temporomandibular joint (arthroscopy), salivary gland sialoendoscopy, trauma, orthognathic and total joint reconstruction. During the Fellowship, education on translational research, clinical trials, prospective and retrospective studies will be available. Fellow will function as Junior Attending for Level I Trauma, Elective OMS and Resident case coverage. Massachusetts Dental License is required. MassGeneral.org/omfs/education-and-training/fellowships/temporomandibular-joint-fellowship. Interested candidates should submit a letter of interest, curriculum vitae and three letters of recommendation to: Joseph P. McCain, DMD, FACS, Director of Minimally Invasive and Temporomandibular Joint Surgery, Dept. of Oral and Maxillofacial Surgery, Massachusetts General Hospital, 55 Fruit Street, Warren 1201, Boston, MA 02114 or by emailing JMCCAIN@mgh.harvard.edu.

Michigan

The Head & Neck Oncology, Microvascular Reconstructive Surgery Fellowship at Ascension Macomb-Oakland Hospital is seeking applications for a fellow in its one-year clinical fellowship training program, available to begin July 1, 2021. The program provides the comprehensive surgical training needed to prepare competent individuals to practice Head & Neck Oncology, Microvascular Reconstructive Surgery; specifically, ablation, endocrine surgery, extremity reconstruction, salivary gland and transoral robotic surgery (TORS). Fellowship training occurs between two facilities, Ascension Macomb-Oakland Hospital and Ascension St. John Hospital & Medical Center, a Level I trauma center. Eligible candidates must have completed a U.S.-accredited residency program in Oral & Maxillofacial Surgery. Applicants must be eligible for Michigan medical licensure. Please direct all inquiries to Dr. Carlos Ramirez, carlos.ramirez@ascension.org.

Missouri (St. Louis)

2020-21 Oral and Maxillofacial Fellowship. Sponsored by The Oral Facial Surgery Institute (www.ofsinstitute.com) and accredited by The Department of Graduate Medical Education at Mercy. This advanced opportunity is a year of hospital-based oral and maxillofacial surgery centered at Mercy, a Level I trauma center in suburban St. Louis. This intensive fellowship program will focus on facial trauma, TMJ, reconstructive, orthognathic and facial cosmetic surgery. Candidates must have completed an

approved OMS residency. Missouri dental and/or medical licensure is required. Salary, benefits and continuing education allowance are included. Please address curriculum vitae and letters of interest to Program Director, Dr. Gregory Tentindo, and Department Chief, Dr. Damian Findlay, Attention: Lacy Wilson, 621 South New Ballas Road, Suite 16A, St. Louis, MO 63141, phone 314-251-6725, fax 314-251 6726, email lacyw@ofsinstitute.com or visit our website at www.ofsinstitute.com.

Nationwide

Want a career in cosmetic surgery? Get trained by the best. The American Academy of Cosmetic Surgery certified Facial and General Cosmetic Surgery Fellowships offer one-year, post-residency, hands-on training. Limited slots across the US. Must have completed a surgical residency in ACGME, AOA-BOS, Royal College of Physicians/ Surgeons of Canada, or ADA program. Apply at cosmeticsurgery.org or 312-265-3735.

North Carolina

The fellowship will provide extensive exposure and advanced clinical training for oral and maxillofacial surgeons in orthognathic surgery, temporomandibular joint surgery and complex implant reconstruction. The clinicians completing the fellowship throughout its 12-year history have subsequently applied their experience to both academic and private practice settings. A substantial stipend is offered. The OMS selected for this position must be able to obtain either an unrestricted North Carolina dental license or North Carolina medical license, obtain hospital privileges and be available from July 1, 2021, through June 30, 2022. The candidate will have extensive exposure to consultations, diagnosis, interdisciplinary treatment planning, treatment and postoperative management of a wide array of patients. It is expected that the candidate will be involved with several hundred major surgical cases. Carolinas Center for Oral and Facial Surgery (CCOFS) is located in Charlotte, N.C. CCOFS is a 14-surgeon practice with six offices in N.C. and four in S.C., with most possessing OR facilities and accredited by the AAAHC. The surgeons are well-known locally and nationally in the OMS specialty. To apply, an application must be completed and returned by Aug. 31 of each year. The selection will be made on Dec. 31 of each year in order to allow time for licensure. Interested candidates can email dketola@mycenters.com for an application. For more information on the practice, log on to www.mycenters.com.

North Carolina

The Craniomaxillofacial Trauma and Reconstructive Surgery Fellowship at Duke University offers a one- to two-year clinical and research experience in complex craniomaxillofacial reconstructive surgery for fully trained craniomaxillofacial surgeons who desire to be academic leaders in craniomaxillofacial traumatology. The training program is based in

the Duke University Department of Surgery's Division of Plastic, Maxillofacial, and Oral Surgery. The fellowship offers a broad-based experience in craniomaxillofacial surgical traumatology and facial reconstructive surgery at the world-renowned Duke University Medical Center. The focus of the fellowship will be on the utilization of advanced surgical techniques for comprehensive craniomaxillofacial reconstruction, including intraoperative computer navigation, patient specific implant fabrication and complex facial reconstructive surgery after traumatic injury or pathologic resection. We are currently recruiting for a fellow to begin in August 2023. For more information, contact colleen.mcdowell@duke.edu.

Oregon

The Head and Neck Institute (HNI) is offering a 12-month fellowship in Advanced Craniomaxillofacial and Trauma Surgery (ACMF-Trauma). This fellowship is based at Legacy Emanuel Medical Center (LEMC) in Portland, Ore. The fellowship covers advanced training in head and neck surgery, maxillofacial trauma and airway management. It also includes experience in sleep surgery (upper airway stimulation) and craniofacial surgery. The faculty includes Drs. Bryan Bell, Allen Cheng, Ashish Patel, Caitlin Magraw and Baber Khatib. Dr. Eric Dierks also serves as an emeritus faculty member. Please contact us directly for more detailed information about the program. Information about our practice and fellowship program can also be found at www.head-neck.com. Please email us at chenga@head-neck.com.

Texas

Indiana

Truly unique opportunity to start your career at an extremely flourishing practice in Northwest Indiana. We are seeking a new graduate surgeon to join our team in July of 2021-22. Associate period will be highly profitable with a full benefit package and a packed patient schedule from day one. The purpose of this position is to find a long-term partnership with an energetic, outgoing and motivated surgeon. Please send CV and cover letter to hull.dmd@gmail.com.

Indiana

Looking for an opportunity to join an elite practice located 45 minutes from Chicago's loop? One of the largest solo implant practices in Indiana is looking for a motivated surgeon. The offer includes a competitive salary with benefits as well as a fast track to full partnership. We have achieved a high level of patient care and production through proven systems that will make your transition into our practice seamless. The area is known for a great school system, and you will have the ability to take advantage of all downtown Chicago has to offer: MLB, NBA, NFL, Broadway, museums and much more. Please send CV to classifieds@aaoms.org re: AAOMS Box A-111720.

Maryland

Mid-Maryland Oral and Maxillofacial Surgery, PA, located in beautiful Frederick, Md., is searching for a new associate (board-certified or board-eligible) to join its team of three surgeons. Mid-Maryland Oral and Maxillofacial Surgery is a very busy, well-respected, full-scope office founded over 20 years ago, serving Maryland, Pennsylvania, Delaware, Virginia and West Virginia communities. Our surgeons also have full privileges at Frederick Memorial Hospital. Frederick, voted as one of the best places to live, is located within 45 miles of Baltimore and Washington, D.C. We have access to big city amenities without losing our small-town charm. The successful candidate will have the opportunity to obtain full partnership with an excellent salary/benefit package. Please email CV to Lhogan@midmaryland.com or fax: 301-694-7372.

Maryland (Annapolis)

Massachusetts

Well-established, highly respected, thriving two-office OMS practice in greater Boston area seeking an energetic, personable, highly motivated oral surgeon. Must be board-certified or eligible. Our office provides full scope of oral and maxillofacial surgery. Candidate must be able to provide excellent surgical skills, establish and maintain relationships with existing and new referring doctors and be interested in growing the practice. Our employment package has a very competitive salary and partnership track. For more information about our practice and our surgeons, please email CV to manager@mvoralsurgeons.com, attention Sandra.

Michigan

Fantastic and rare opportunity to join a thriving practice that is a keystone in Southeast Michigan! This multi-office practice has the most well-respected name and referral base across two large counties in Michigan. The staff and doctors are considered family and work as a highly efficient team to make a happy workplace. We are focused on ethically doing what's best for each patient and have the technology to back up that plan. Our offices are close enough to enjoy sporting events, concerts and theater events in Detroit and Ann Arbor. Your new position would come with a guaranteed base salary plus commissions, expenses for gas, phone, travel, CE and dues to professional associations. The position is open for immediate occupancy, so please apply soon. We are excited to bring on a new face to the practice and looking forward to meeting you. Please email CV and any questions to zmcfx1@gmail.com.

New Jersey

Associate position available for three practice locations in southern N.J. Board-certified or board-eligible preferred. Part- or full-time available. Interest in partnership transitioning into ownership preferred. Practice locations: Linwood, N.J.; Cape May Courthouse, N.J.; and Maple Shade, N.J. Call 609-350-5233 or email benaifer3@hotmail.com.

New Jersey

If you are motivated and understand what it takes to cultivate the optimal patient experience each and every time, please contact us. We are a well-established and still rapidly expanding full-scope, multi-office practice minutes from N.Y.C. with a focus on office-based oral surgery and affiliations at some of the region's most prestigious hospitals. We are the official oral surgeons of the New Jersey Devils, and we are seeking a full-time BC/BE partnership-minded associate to join our team with huge potential for more. Send your CV to jma@riversideoralsurgery.com.

New Jersey

Looking for an enthusiastic oral surgeon to join a highly reputable private practice with multiple locations throughout the beautiful suburban areas of northern New Jersey and near the Jersey Shore. Randolph Center for Oral & Maxillofacial Surgery is a comprehensive provider for oral and maxillofacial surgery with affiliations at Morristown Medical Center and New York Presbyterian Weill-Cornell Medical Center. This well-established, growing practice now has a great opportunity for a new and upcoming oral surgeon looking to gain experience at a state-of-the-art, full-scope practice. Randolph Oral Surgery is offering a full-time position to a board-eligible surgeon – an excellent salary and benefits package is included in this exciting opportunity! If interested in this position, please fax resumes to 973-328-3405. We are looking forward to hearing from you soon!

New Jersey

A fabulous opportunity is available due to the forthcoming retirement of a senior partner. A full-time position fast tracking to a well-defined equal partnership is planned to provide a career with long-term stability. We have a well-established, ever-evolving practice that is 37 years old. It consists of three progressive doctors of excellent reputation who encourage a collegial relationship. We are committed to quality patient care founded upon a very large, dependable referral base. Our focus is on dentoalveolar surgery, implants, pathology and office anesthesia. There is an unlimited potential to expand the scope of our practice if desired. Our three offices are state-of-the-art and well-equipped with digital imaging, CBCT and intraoral scanning/printing. Please email resumes to TKolb@coastaloralsurgerynj.com.

New Jersey (Northeast)

Associate OMFS. Highest-quality, efficient, customer-oriented FFS practice immediately seeking an associate to continue with growth. Best location, technology and culture for a committed, recent or upcoming single- or double-degree for associate/partnership. For info, email omfsdoctor@aol.com or AAOMS Box A-100420.

New Jersey (Pennsylvania)

Well-established, highly respected, three-office, full-scope OMFS practice in Sussex and Pike county is seeking a full-time oral surgeon. Offering a very competitive salary and partnership track. If interested, please fax CV to 973-729-0946.

New Jersey

27-year, highly reputable, well-established solo practice looking for a full-time Board-eligible or Board-certified OMS. We are offering a competitive compensation and benefits plan. A path to partnership with a transition to ownership for the right person is our desire. Our office is newly renovated with state-of-the-art equipment. We are located 20 minutes from New York City in a family-oriented region with strong school systems. The practice is focused on office-based OS with a focus on implantology. We are growing rapidly with room for continued growth. You have the opportunity to expand the scope of the practice should you desire. We are committed to quality care, and a personable surgeon would be the perfect fit for our friendly environment. Please check us out at echooralsurgery.com. Email CV to Echooralsurgery@gmail.com: 973-667-5844.

New York

Outstanding opportunity to join a growth-oriented, innovative multi-location OMS practice in Manhattan and the Tri-State region. We have commitments for many new locations in Connecticut, New Jersey and New York. The metropolitan New York City area is an excellent place to live/work with a vast array of educational, cultural and recreational activities. The ideal candidate must possess top skills and display excellent interpersonal skills. The practice is office-based, full-scope dental alveolar and implant surgery under IV sedation and general anesthesia. The facilities and equipment are high quality and digital. Emergency room call and academic affiliations are available. The practice is the employer of choice with the top compensation and equity participation for ideal candidates. Will support and assist in obtaining state licenses and U.S. work permits (including sponsoring green card or U.S. citizenship). Email CV to robert.bodey@mofsnny.com or contact Robert Bodey at 347-590-9910.

California

Fully remodeled established Northern California OMS practice in Silicon Valley for sale. Perfect small practice for young OMS or addition to an OMS group. Contact siliconvalleyoms@gmail.com or text 408-596-4840.

California

Oral surgery practice for sale. Our long-established practice has an excellent reputation and exclusive referrals from a large majority of dental practitioners and clinics within our community. The office has 3 operatories (2 equipped), 3 recovery rooms, 2 consultation rooms, CS 9300 Pano/CBCT machine and an outstanding long-term staff. The facility is approximately 2,700 sq. feet with equipment in excellent condition (less than 6 years old). The practice operates CS WinOMS as our management software. We see an average of 1,400 new patients per year and collected approximately \$1.4M in 2019, working only 2 weeks a month. Motivated and flexible. Seller willing to stay on to facilitate a smooth transition. Seller intends to immediately reduce his workload to allow new owner adequate patient flow and sufficient net earnings to afford the purchase and to fulfill lifestyle requirements while facilitating a hand-off of the important community and professional goodwill. This is a prominent OMS practice in Northern California. Send inquiries with a letter of interest and a CV to oralurgeryreddingca@gmail.com.

Florida

Excellent opportunity for an OMS who wants their own established practice. Practicing in the Miami area for 30 years, the office has four operatories and a strong referral base. Located between two major highways with ample parking and a well-trained staff. I am looking for an OMS to eventually take over the practice. Please email us at butchcass19@aol.com or phone 305-915-0007.

Illinois

Profitable, well-established practice in Chicago. Solid, young referral base, fee-for-service. Modern four fully equipped large operatories, two consult rooms, dedicated two-bed recovery room, central O2, EMR, CBCT. Level 1 trauma hospital privileges available, if desired. Spacious, 5,000-sq.-ft., free-standing building owned by seller with ample off-street parking. Flexible transition options. Email: chicago4sale@gmx.com.
