

Faculty Positions

Georgia

Emory University School of Medicine in Atlanta is seeking applications for a full-time faculty position in the Division of Oral and Maxillofacial Surgery at the Assistant or Associate Professor level. Responsibilities include patient care, didactic education and clinical teaching of residents and research. The position includes responsibilities at Grady Memorial Hospital, The Emory Clinic, Emory University Hospital, Emory University Hospital Midtown Emory and Children's Healthcare of Atlanta. The candidate should have an interest in major oral and maxillofacial surgery with a particular interest in trauma management and is expected to actively participate in the clinical and research activities. The individual will be expected to participate in the Emory oral and maxillofacial faculty practice. Collaborative opportunities are available with area colleges and universities and public health agencies. The position requires a DDS/DMD degree from a CODA-accredited U.S. or Canadian dental school and completion of a CODA-approved oral and maxillofacial surgery residency program. The candidate should be board-eligible or -certified by the American Board of Oral and Maxillofacial Surgery. Candidates must also be eligible for an unrestricted Georgia dental or medical license. Salary and academic rank are commensurate with experience and qualifications. Emory University is an Equal Opportunity/Affirmative Action Employer. Applicants should submit their curriculum vitae to: Dr. Gary Bouloux, Chief, Oral and Maxillofacial Surgery, The Emory Clinic, 1365 Clifton Rd., Suite B-2300, Atlanta, GA 30322, email: gfboulo@emory.edu.

Indiana

Oral and Maxillofacial Surgery (OMFS) and Hospital Dentistry in the IU School of Dentistry seeks qualified applicants for a full-time (1.0) clinical track position at the rank of assistant or associate professor. Review of applicants will begin immediately with an anticipated appointment start date of Jan. 1, 2021. Responsibilities include didactic, academic and clinical instruction for the OMFS Pre-Doctoral and Residency program. Qualified candidates will 1) have a DDS/DMD/ equivalent degree, 2) have achieved satisfactory completion of a CODA-accredited OMS residency program, 3) be eligible for or has current Diplomate status in the American Board of Oral and Maxillofacial Surgery and 4) be eligible to obtain an unrestricted dental license in the state of Indiana by the position start date. Interested candidates should review the application requirements and submit their application at indiana.peopleadmin.com/postings/8310.

Minnesota

The School of Dentistry invites applicants for a full-time Clinical Faculty position in the Division of Oral and Maxillofacial Surgery. The School of Dentistry seeks to develop and maintain a culture and working environment that provides a climate that everyone has the ability to thrive. In order to achieve this goal, it is important that everyone is committed to do their part in creating this environment within the school and the university. We value a diversity of views and experiences that enrich campus life and the academic experience. Responsibilities include clinical and didactic teaching at the pre- and post-doctoral levels, clinical coverage and supervision and provision of on-call services. Applicants must have a DDS, DMD or equivalent degree and completion of a CODA-accredited advanced education training program (Residency Program) in oral and maxillofacial surgery by the start of the position. (See posting for all requirements.) Apply at: humanresources.UMN.edu/jobs, click on External applicant, enter 339508 in the search field.

Mississippi

The University of Mississippi Medical Center's School of Dentistry is conducting a search for a full-time faculty position in the Department of Oral Maxillofacial Surgery and Pathology. Applicants must have a DDS/DMD degree recognized by ADA, have successfully completed advanced training in Oral & Maxillofacial Surgery from an accredited institution, be eligible for Mississippi licensure and be board-certified or board-eligible by ABOMS. Responsibilities include didactic and clinical instruction for residents and dental students, participation in clinical practice and research. Candidates with additional fellowship training in Orthognathic and TMJ Surgery are preferred. Interested applicants should submit a letter of interest, curriculum vitae to Ravi Chandran, DMD, PhD, FACS, at rchandran@umc.edu.

Nebraska

The University of Nebraska Medical Center (UNMC) College of Dentistry seeks applications for a full-time position at the assistant/associate professor level. Responsibilities include training and supervision of undergraduate dental students and postgraduate residents and fellows in OMFS, local anesthesia and the prevention and management of medical emergencies. Qualified candidates must have a DDS or DMD degree from an ADA-accredited college or school of dentistry, be eligible for a Nebraska dental and moderate sedation license and be board-eligible or certified by the American Board of Oral and Maxillofacial Surgery. Candidates with international dental degrees with OMFS specialty training from an ADA-accredited school are also eligible. One day a week intramural or outside the college private practice opportunities are available. Screening of applications will begin immediately with an expected hire date on/before July 1, 2021. (Inquiries regarding the position may be sent to jbavitz@unmc.edu.) Please note that to be

considered for this position applicants must submit an application and supporting documentation (CV and cover letter) via UNMC's online employment website, UNMC.peopleadmin.com/postings.

New Jersey

Rutgers School of Dental Medicine Department of Oral and Maxillofacial Surgery is searching for a full-time surgeon at the Assistant or Associate Professor level on clinical track. Responsibilities will include staffing the undergraduate and resident clinics as well as participation in the didactic curriculum offered by the department. The ideal candidate must have completed an accredited OMS training program and be eligible for New Jersey dental licensure with board eligibility/certification. Faculty will be expected to participate in scholarly activities and will have the opportunity to participate in the intramural faculty practice. Position will remain open until filled. Salary and rank will be commensurate with experience and training. Rutgers School of Dental Medicine is a component of Rutgers, The State University of New Jersey, and is located on the Newark Campus of Rutgers Biomedical and Health Sciences Division, along with the Rutgers Medical School, the Graduate School of Biomedical Sciences, the School of Health Related Professions and the School of Nursing. Rutgers School of Dental Medicine is an Affirmative Action/Equal Opportunity employer. The final candidate will be required to successfully pass a criminal background check prior to beginning employment. Interested candidates should apply for this position at jobs.rutgers.edu/postings/119090. Any questions can be directed to: Vincent B. Ziccardi, DDS, MD, FACS, Professor, Chair and Residency Director, Department of Oral and Maxillofacial Surgery, 973-972-7462 or ziccarvb@sdm.rutgers.edu.

New York

Columbia University College of Dental Medicine (CDM) invites applications for a full-time faculty position in the Section of Hospital Dentistry, Division of Oral & Maxillofacial Surgery. Responsibilities will include residency and predoctoral education, participation in the intramural faculty practice and participation in research. The successful candidate will be expected to work collaboratively between the NewYork-Presbyterian Hospital System at the Columbia University Irving Medical Center Campus, the Morgan Stanley Children's Hospital as well as the Columbia University College of Dental Medicine. The ideal candidate must have completed an accredited OMFS training program, be eligible for New York State licensure and be either ABOMS-certified or on the path to certification. A medical degree and fellowship training, while preferred, is not required. Academic rank including possibility of tenure track and salary will be commensurate with experience and training. Interested, qualified applicants should send a CV, letter of interest and the names and contact information of three professional references by visiting pa334.peopleadmin.com/postings/6829. Columbia

University is an equal opportunity employer; minorities and women are encouraged to apply. Qualified applicants also may contact Alia Koch, DDS, MD, FACS, at ak2045@cumc.columbia.edu for further information.

New York

New York Medical College School of Medicine is accepting applications for the position of a full-time Program Director of its OMFS Residency in the Dental Medicine Department. The Program maintains accreditation without reporting requirements. This individual will have shared responsibilities at the Program's two clinical training sites, NYC Health + Hospitals/ Metropolitan in Manhattan and Westchester Medical Center in Valhalla, N.Y., and will hold the position of OMFS Section Chief at Metropolitan. These sites consist of busy ambulatory and inpatient services, 24/7 consultative ER services and Level I and II trauma designations. In these roles, the person will have OMFS clinical service and residency program responsibilities. Under-represented individuals are encouraged to apply. For further information: contact Regina Damon at regina_damon@nymc.edu.

New York

The OMFS department at the University of Rochester is seeking applicants for a full-time faculty position at the assistant-associate professor rank depending on experience and qualifications. Tenure and non-tenure options available. Responsibilities include resident education, research and service. Position entails resident supervision in outpatient clinic, direct patient care in the faculty practice, on-call, research and collaborative activities within EIOH and Medical Center. Seeking an individual with commitment to academia, teaching, research and scholarly activity. Salary commensurate with qualifications and experience. Candidate must have DDS or DMD degree from CODA-accredited dental school, eligible for or hold board certification by ABOMS. Candidate must be able to obtain licensure for clinical practice in New York State. University of Rochester is an affirmative action/equal opportunity employer, has a commitment to principles of diversity and encourages applications from groups underrepresented in higher education. Send CV and letter of interest to: Dr. Antonia Kolokythas, Chair, 601 Elmwood Avenue, Box 705, Rochester, NY 14642.

Oklahoma

The Department of Oral and Maxillofacial Surgery at the University of Oklahoma HSC invites applications for a full- or part-time faculty position. Primary responsibilities of this position would include OMS resident clinic supervision as well as teaching outpatient anesthesia and implantology.

Applicants must be graduates of an ADA-accredited OMS residency program. They must be eligible for independent, full licensure in Oklahoma and be OMS board-certified or active candidates for certification. Interested candidates should contact Dr. Paul Tiwana via email: paul-tiwana@ouhsc.edu.

Pennsylvania (Philadelphia)

Dentist Anesthesiologist at Temple University Advanced Dental Sedation Center Full and Part Time. Temple University Maurice H. Kornberg School of Dentistry in Philadelphia is seeking applicants for a full-time (5 days a week) and part-time (1-2 days per week) dentist anesthesiologist faculty position at a rank to be determined based on academic credentials. The candidate must have at least five years of experience working at a multidisciplinary sedation dental care center, preferably affiliated with an academic health center or a dental school. Experience working and teaching in a postgraduate dental or general anesthesia program is preferred. The dentist anesthesiologist will direct patient care as anesthesiologist in our 4-chair Sedation Center. The faculty will work with other dentists, specialists and residents who will provide the dental treatment or provide dental examination and follow-up evaluation. The Center is designed to provide care to a diverse patient population, which includes but is not limited to, patients with behavioral, developmental or intellectual disabilities; pediatric patients; adults with dental anxiety, fear or phobia; and those in need of complex oral surgical procedures. The selected full-time faculty will participate in teaching activities, such as didactic and clinical instruction of pre-doctoral or postdoctoral students or residents in local anesthesia and sedation techniques, credentialing and CE for faculty of the sedation center, medical emergency training for pre-doctoral and post-doctoral students, nitrous oxide for pre-doctoral students, and sedative and analgesic techniques for students and faculty. Knowledge of dental and medical insurance, credentialing, certification and reimbursement for sedation care is necessary. Candidates must be an active clinician and dentist anesthesiologist who is certified by the American Dental Board of Anesthesiology or eligible for board certification. Eligibility for unrestricted licensure and General Anesthesia Permit in the Commonwealth of Pennsylvania is required. Salary and rank will be commensurate with experience and qualifications. Interested applicants should send a cover letter indicating interest, date of availability, a current curriculum vitae and three references to: Temple University Kornberg School of Dentistry, 3223 North Broad Street, Philadelphia, PA 19140, or via email at: jo.ann.nyquist@temple.edu (for full time) or sean.patton@temple.edu (for part time). Temple is an equal opportunity/affirmative action employer. Women and minorities are encouraged to apply.

Texas

The Department of Oral and Maxillofacial Surgery at Texas A&M College of Dentistry in Dallas is seeking a full-time, non-tenured faculty member at the rank Clinical Assistant or Associate Professor. Responsibilities include didactic/clinical teaching at the post- and predoctoral levels, supervision of OMS residents, providing direct patient care as part of the faculty practice – including on-call coverage, participation in research and other collaborative activities. Applicants must have a DDS/DMD or equivalent, have completed an ADA-accredited OMS residency program, be board-certified or actively seeking board certification and be eligible for a Texas dental license. An additional desirable accomplishment is the completion of a fellowship in Head and Neck Oncology. Apply through Interfolio at apply.interfolio.com/78708. Submit inquiries to hzimmerman@tamu.edu.

Fellowships CODA

California

The San Diego Center for Oral and Maxillofacial Surgery is offering a one- or two-year fellowship in maxillofacial surgery. The practice participates in full-scope oral and maxillofacial surgery, which includes a very busy implant practice, orthognathic surgery, reconstructive surgery, ablative surgery for tumors, cosmetic surgery as well as dental alveolar. The candidate would participate in the Craniofacial Center at Children's Hospital and be a participant in Tumor Board. Candidates should be dual-degree and have a California medical or dental license. Please reply to patty@sandiegooms.com.

Fellowships Non-CODA Accredited

California

UCSF-Fresno Department of OMFS offers a 24-month fellowship in Head and Neck Oncology and Microvascular Reconstruction. There is one fellow per year. Activities include malignant and benign tumor surgery – neck dissections, glossectomy, mandibulectomy, maxillectomy, orbital exenteration, etc.; TORS and skull base surgery; tracheostomies; microvascular free flaps, pedicled and other flaps. Radiation and medical oncology rotations. The fellow will act in a teaching capacity, supervising residents at times. The fellow will have involvement in sleep apnea cases. Research: complete two papers related to cancer and reconstruction. Applicants please email Breana Dennie, bdennie@fresno.ucsf.edu. Include CV, photo, two letters of recommendation and a letter describing intentions/plans after fellowship. For additional questions, email Brian Woo at bwoo@communitymedical.org.

Florida

A fellowship in cleft and craniofacial surgery is available at the Florida Craniofacial Institute. We have recently begun interviews for the July 1, 2022, position. This one-year fellowship is in a private practice environment in Tampa, Fla., and the focus is pediatric OMFS, cleft and craniofacial surgery. The primary goal of the fellowship is to educate and provide additional surgical training in the management and treatment of patients with congenital facial anomalies. The fellow will work in conjunction with the cleft lip/palate and craniofacial team and will gain comprehensive experience and instruction in team-focused treatment. For information on the Florida Craniofacial Institute, visit www.FLcranio.com. Please email CV to admin@flcranio.com.

Florida

The Pediatric Maxillofacial and Craniofacial Surgery Fellowship Program at University of Florida – Jacksonville, Department of Oral and Maxillofacial Surgery is offering a one-year postgraduate fellowship commencing July 1, 2022, and ending June 30, 2023. We have six designated faculty, all with appointments to the department and fellowship specifically. This includes the pediatric OMFS and fellowship director, a pediatric neurosurgeon (associate program director), 2 pediatric plastic surgeons (1 is craniofacial trained) and 2 pediatric ENT surgeons. The fellow has the opportunity to operate with all of them and greatly expand surgical scope. This fellowship encompasses ALL aspects of pediatric maxillofacial and craniofacial procedures (15 years old and younger). In conjunction with the attendings, the fellows work to provide comprehensive treatment of pediatric soft and hard tissues and abnormalities of the maxillofacial and craniofacial region in a dynamic surgical and clinical setting. This includes primary repair of cleft lip and palate as well as transcranial procedures. Our fellows also have the opportunity to conduct research projects at both UF Health Jacksonville and Wolfson Children's Hospital. The fellow will be on-call for cases operated on by the pediatric craniomaxillofacial service. It is expected that the fellow (shared coverage with an OMFS senior resident on service) will also cover the pediatric cranial and maxillofacial trauma as well as PICU and NICU consults from UF Health Jacksonville and Wolfson Children's Hospital. The fellow will attend pediatric craniomaxillofacial clinic weekly along with a weekly multidisciplinary cleft and craniofacial clinic. Interested candidates should contact 904-244-3689 or submit a letter of interest and CV via email to Barry Steinberg, DDS, MD, PhD, FACS, at Barry.Steinberg@jax.ufl.edu.

Massachusetts

Nationwide

Want a career in cosmetic surgery? Get trained by the best. The American Academy of Cosmetic Surgery-certified Facial and General Cosmetic Surgery Fellowships offer one-year, post-residency, hands-on training. Limited slots across the U.S. Must have completed a surgical residency in ACGME, AOA-BOS, Royal College of Physicians/ Surgeons of Canada or ADA program. Apply at cosmeticsurgery.org or 312-981-6760.

North Carolina

The fellowship will provide extensive exposure and advanced clinical training for oral and maxillofacial surgeons in orthognathic surgery, temporomandibular joint surgery and complex implant reconstruction. The clinicians completing the fellowship throughout its 12-year history have subsequently applied their experience to both academic and private practice settings. A substantial stipend is offered. The OMS selected

for this position must be able to obtain either an unrestricted North Carolina dental license or North Carolina medical license, obtain hospital privileges and be available from July 1, 2021, through June 30, 2022. The candidate will have extensive exposure to consultations, diagnosis, interdisciplinary treatment planning, treatment and postoperative management of a wide array of patients. It is expected that the candidate will be involved with several hundred major surgical cases. Carolinas Center for Oral and Facial Surgery (CCOFS) is located in Charlotte, N.C. CCOFS is a 14-surgeon practice with six offices in N.C., and four in S.C., with most possessing OR facilities and accredited by the AAAHC. The surgeons are well-known locally and nationally in the OMS specialty. To apply, an application must be completed and returned by Aug. 31 of each year. The selection will be made on Dec. 31 of each year in order to allow time for licensure. Interested candidates can email dketola@mycenters.com for an application. For more information on the practice, log on to www.mycenters.com.

North Carolina

The Craniomaxillofacial Trauma and Reconstructive Surgery Fellowship at Duke University offers a one- to two-year clinical and research experience in complex craniomaxillofacial reconstructive surgery for fully trained craniomaxillofacial surgeons who desire to be academic leaders in craniomaxillofacial traumatology. The training program is based in the Duke University Department of Surgery's Division of Plastic, Maxillofacial, and Oral Surgery. The fellowship offers a broad-based experience in craniomaxillofacial surgical traumatology and facial reconstructive surgery at the world-renowned Duke University Medical Center. The focus of the fellowship will be on the utilization of advanced surgical techniques for comprehensive craniomaxillofacial reconstruction, including intraoperative computer navigation, patient specific implant fabrication and complex facial reconstructive surgery after traumatic injury or pathologic resection. We are currently recruiting for a fellow to begin in August 2023. For more information, contact colleen.mcdowell@duke.edu.

Oregon

The Head and Neck Institute (HNI) is offering a 12-month fellowship in Advanced Craniomaxillofacial and Trauma Surgery (ACMF-Trauma). This fellowship is based at Legacy Emanuel Medical Center (LEMC) in Portland, Ore. The fellowship covers advanced training in head and neck surgery, maxillofacial trauma and airway management. It also includes experience in sleep surgery (upper airway stimulation) and craniofacial surgery. The faculty includes Drs. Bryan Bell, Allen Cheng, Ashish Patel, Caitlin Magraw and Baber Khatib. Dr. Eric Dierks also serves as an emeritus faculty member. Please contact us directly for more detailed information about the program. Information about our practice and fellowship program can also be found at www.head-neck.com. Please email us at chenga@head-neck.com.

Fellowships Non-CODA

Accredited *continued from previous page*

Texas

Florida (Orlando)

Central Florida Oral & Maxillofacial Surgery is seeking a board-eligible/certified oral surgeon. Our five-office, five-surgeon, full-scope oral surgery practice has been serving central Florida since 1937. We also have two doctors dedicated to treating TMJ and facial pain. Our surgeons have four to six days of hospital call per month with compensation. All of our locations are within 30 minutes of downtown Orlando. Our practice is highly respected for its service to both the local community as well as the profession. This is an excellent opportunity for a hardworking, energetic, personable individual to be involved in a very productive practice with great potential for the future. Orlando is a pleasant city with an international airport and multiple well-known resorts and beaches less than an hour away. The greater metropolitan area has a population of over 1 million. Florida has no state income tax, and the weather is outstanding! We offer a highly competitive salary and benefit package with a production-based bonus opportunity. Visit our website at cforalsurgery.com. Email CV to Tom Meena, Practice Manager, at tmeena@cforalsurgery.com or call 407-843-2261.

Florida

Practice with reputation for exceptional surgical & patient care in Tampa Bay area, a beautiful place for raising a family. We maintain excellent relations with referral base and regularly provide CE courses. State-of-art offices have CBCT, operating rooms and full anesthesia equipment. Perform a full scope of OMS procedures with a heavy emphasis on dental implants and dentoalveolar surgeries. Searching for motivated BC/BE OMS for associate position leading to partnership. Above-average compensation and benefits. Please send CV to facial97@gmail.com.

Florida (Orlando)

Excellent opportunity for motivated and personable associate leading to partnership. Two-surgeon, three-office, state-of-the-art, fully digital practice within 20 minutes of downtown Orlando. Emphasis on dentoalveolar/implants and facial esthetics. Competitive salary; malpractice; CE; retirement benefits. Please send CV/inquiries to ofsa444@gmail.com.

Florida (Jacksonville)

Multi-office, fully private Oral & Maxillofacial Surgery practice is seeking a board-certified or board-eligible OMS. This practice has a very strong existing patient base & excellent relationships with the referring dental network in the greater Jacksonville area. We are offering a full-time associate position to the right candidate with a clear path to partnership. If interested, send your CV to vmak@nfofs.com. Requirements: DDS/DMD from an accredited University, Active State Dental Board license and Oral & Maxillofacial Surgery residency certificate from an accredited program.

Florida

Busy, full-scope, two-doctor oral and maxillofacial private practice seeking to add a board-eligible/-certified oral and maxillofacial surgeon for associateship. The incoming surgeon must be willing to obtain hospital privileges as well as take hospital call. Prefer to have a well-rounded, well-trained doctor who is interested in performing procedures related to a full-scope OMS surgery practice: dentoalveolar, dental implant, orthognathic and TMJ surgery, TMJ therapy, facial and oral pathology, facial trauma and other procedures related to the specialty. This is an exceptional opportunity for a highly motivated individual to work as an associate for two years, followed by the opportunity of becoming a partner of the practice. Incoming surgeon will practice in both of our current locations. To expand the presence of the practice, a third location is being considered. The practice has well-trained professional staff, including full-time RNs, CBCT technology in both offices, full-scope facial cosmetic surgeries performed onsite and has been established for over 30 years in the area. We offer a very competitive salary with bonus incentives, benefits package that includes health insurance, CE allotment, IRA, malpractice insurance and license reimbursement. The practice will offer full support to help grow and establish a new doctor in the community. The area of Melbourne is located on the Atlantic Coast, where the space program and cruise industry contribute to a booming economy. The beach is very close and popular for surfing, relaxing and turtle watching. Orlando and all that area has to offer is a little over an hour away. Please reply to reykimes@yahoo.com.

Georgia

Oral surgeon needed for large, multispecialty, multi-location group practice in Atlanta suburbs. No managed care. Full- or part-time positions available. Contact Hootan Shahidi at 770-446-8000, ext. 0012, or email hshahidi@dentfirst.com. Visit us online at www.dentfirst.com.

Georgia (Atlanta suburbs)

Excellent opportunity for OMFS to begin your career or change careers in private practice. Join a super-producing, fee-for-service, established practice in suburbia Atlanta focusing on 3 areas: dental implants, orthognathic surgery and dentoalveolar. Very reputable surgeon. Our implant practice is large with an onsite lab with 3 full-time lab technicians fabricating surgical guides, immediate provisional and orthognathic surgical splints. Our office surgery center is equipped for all types of implant cases and orthognathic surgery. Great work environment and community. We have a super capable and friendly staff, making your days enjoyable. Family-oriented community, close to metro Atlanta and near the great outdoors of Georgia. An opportunity to become passionate about OMFS, enjoy your work and utilize your skills. Training in orthognathic surgery and

implant surgery is most ideal and will advance with us. A second state-of-the-art facility is under construction in an ideal Atlanta location that will facilitate expansion. We have a large referral base and study club in place. If you are a people person and energetic, this is your chance to join a wonderful practice, earn great income and equity and be part of a passionate team. Creative routes to ownership available. Visit us at jawimplant.com. Contact person: Anusha at 770-664-5550 or at Anusha@jawimplant.com.

Illinois

Excellent oral surgery opportunity in the Chicagoland area! Our highly successful private oral surgery practice has a great opportunity for an Oral Surgeon to join the team. Primarily fee-for-service, some PPO. State-of-the-art facility. Highly respected, busy practice with great relations in the dental community. Long-term security. Wide range of procedure scope. Indiana

Truly unique opportunity to start your career at an extremely flourishing practice in Northwest Indiana. We are seeking a new graduate surgeon to join our team in July of 2021-22. Associate period will be highly profitable with a full benefit package and a packed patient schedule from day one. The purpose of this position is to find a long-term partnership with an energetic, outgoing and motivated surgeon. Please send CV and cover letter to hull.dmd@gmail.com.

Indiana

Looking for an opportunity to join an elite practice located 45 minutes from Chicago's loop? One of the largest solo implant practices in Indiana is looking for a motivated surgeon. The offer includes a competitive salary with benefits as well as a fast track to full partnership. We have achieved a high level of patient care and production through proven systems that will make your transition into our practice seamless. The area is known for a great school system, and you will have the ability to take advantage of all downtown Chicago has to offer: MLB, NBA, NFL, Broadway, museums and much more. Please send CV to classifieds@aaoms.org re: AAOMS Box A-111720.

Indiana

In search of a board-certified/-eligible oral surgeon for a position in southern Indiana, across the Ohio River from Louisville, Ky. The practice consists of one doctor and two offices with expectations to open a third office. The scope of practice is dentoalveolar, but the option to expand is not without hesitation and highly encouraged. A competitive salary and benefits package will be offered with an opportunity to negotiate. Please send curriculum vitae to leighannswan@hotmail.com.

Indiana

MUST READ! Your search is over! A preeminent Midwest OMS practice is actively seeking a highly skilled, well-trained, contemporary surgeon looking to practice surgery in its fullest capacity. This non-corporate, privately owned, six-surgeon practice has over 300 active referring providers and places over 2,000 implants per year. This is truly a full-scope practice including orthognathic surgery, benign and malignant pathology, joint surgery, complex bone regeneration and implant placement for hybrid dental rehabilitation and facial cosmetic surgery. Practice has five offices in the metropolitan area. High-income potential in family-oriented location. Great schools and tons of amenities in a thriving community. Practice is fee-for-service. Extremely competitive salary and benefits including CE,

licensing and membership dues, medical insurance and malpractice coverage. Live and practice in a vibrant and growing community with honest and trustworthy partners. Live your life as you've envisioned. Contact deanna@omsafw.com.

Indiana

Premier, highly profitable, highly respected, well-established, busy, thriving three-office (within 7 years) Oral & Maxillofacial Surgery practice in Fort Wayne, Indiana, is seeking a full-time Board-eligible or Board-Certified associate to start ASAP. Candidate must be able to provide excellent surgical services, establish and maintain relationships with existing and new referring doctors and be enthusiastic, very motivated and interested in growing the practice. Partnership opportunity will be available and is negotiable for the right candidate after 2 years of working together and mutually agree that it is a good partnership fit. Practice is Implants, Bone grafting, Dentoalveolar surgery and IV sedation heavy with some Pathology, Trauma and Orthognathic. Full-scope practice is openly available if desired. We are surrounded by four level 2 trauma hospitals all within a 5- to 20-minute radius. Admitting privileges to these hospitals will be expected as we all share call in town. Competitive guaranteed \$500,000 base annual salary with additional year-end production incentive bonuses. Outstanding paid benefits include malpractice, health, vacation, sick time, 401(k) match and CE. We are state-of-the-art, fully digital, including i-CAT FLXs, Intraoral scanners, 3D printing, both Bien-Air & Hall drills, Piezo, PRP, Ellman, DSLR cameras, WinOMS, etc. All offices are in cloud, communicate and accessible anywhere, anytime. Fully trained 3 clinical staff per doctor. Fort Wayne and surrounding counties are a hidden gem with around 600,000 people, second-largest city in Indiana. Great place to live (low cost), lifestyle, work, excellent schools, safe and raise a family. Easy access (air & road) to several major cities. Send CV to Becky at: FortWayneOMS@comcast.net or call 260-490-2013 and ask to speak with Becky directly.

Louisiana

Michigan

Fantastic and rare opportunity to join a thriving practice that is a keystone in Southeast Michigan! This multi-office practice has the most well-respected name and referral base across two large counties in Michigan. The staff and doctors are considered family and work as a highly efficient team to make a happy workplace. We are focused on ethically doing what's best for each patient and have the technology to back up that plan. Our offices are close enough to enjoy sporting events, concerts and theater events in Detroit and Ann Arbor. Your new position would come with a guaranteed base salary plus commissions, expenses for gas, phone, travel, CE and dues to professional associations. The position is open for immediate occupancy, so please apply soon. We are excited to bring on a new face to the practice and looking forward to meeting you. Please email CV and any questions to zmcfx1@gmail.com.

Michigan

The best of both worlds. Looking for an associate in busy, Southeastern Michigan practice straddling the line between suburban and rural. Practice has two well-established and well-respected offices with a small-town feel, close to big-city benefits. Enjoy all of Michigan's treasures, including boating, beaches, hunting and fishing near a large cosmopolitan center. We offer a highly competitive salary and benefit package with a transparent track to partnership. Candidate must be Board-eligible/-certified. Practice scope centers around dentoalveolar surgery and implants with ample opportunity to expand within the full scope of OMFS. Please email CV to aaomsclassified1903@gmail.com.

Nebraska

New Jersey

If you are motivated and understand what it takes to cultivate the optimal patient experience each and every time, please contact us. We are a well-established and still rapidly expanding full-scope, multi-office practice minutes from N.Y.C. with a focus on office-based oral surgery and affiliations at some of the region's most prestigious hospitals. We are the official oral surgeons of the New Jersey Devils, and we are seeking a full-time BC/BE partnership-minded associate to join our team with huge potential for more. Send your CV to jma@riversideoralsurgery.com.

New Jersey

Looking for an enthusiastic oral surgeon to join a highly reputable private practice with multiple locations throughout the beautiful suburban areas of northern New Jersey and near the Jersey Shore. Randolph Center for Oral & Maxillofacial Surgery is a comprehensive provider for oral and maxillofacial surgery with affiliations at Morristown Medical Center and NewYork-Presbyterian Weill-Cornell Medical Center. This well-established, growing practice now has a great opportunity for a new and upcoming oral surgeon looking to gain experience at a state-of-the-art, full-scope practice. Randolph Oral Surgery is offering a full-time position to a board-eligible surgeon – an excellent salary and benefits package is included in this exciting opportunity! If interested in this position, please fax resumes to 973-328-3405. We are looking forward to hearing from you soon!

New Jersey

A fabulous opportunity is available due to the forthcoming retirement of a senior partner. A full-time position fast tracking to a well-defined equal partnership is planned to provide a career with long-term stability. We have a well-established, ever-evolving practice that is 37 years old. It consists of three progressive doctors of excellent reputation who encourage a collegial relationship. We are committed to quality patient care founded upon a very large, dependable referral base. Our focus is on dentoalveolar surgery, implants, pathology and office anesthesia. There is an unlimited potential to expand the scope of our practice if desired. Our three offices are state-of-the-art and well-equipped with digital imaging, CBCT and intraoral scanning/printing. Please email resumes to Tkolb@coastaloralsurgerynj.com.

New Jersey (Pennsylvania)

Well-established, highly respected, three-office, full-scope OMFS practice in Sussex and Pike county is seeking a full-time oral surgeon. Offering a very competitive salary and partnership track. If interested, please fax CV to 973-729-0946.

New Jersey

27-year, highly reputable, well-established solo practice looking for a full-time Board-eligible or Board-certified OMS. We are offering a competitive compensation and benefits plan. A path to partnership with a transition to ownership for the right person is our desire. Our office is newly renovated with state-of-the-art equipment. We are located 20 minutes from New York City in a family-oriented region with strong school systems. The practice is focused on office-based OS with a focus on implantology. We are growing rapidly with room for continued growth. You have the opportunity to expand the scope of the practice should you desire. We are committed to quality care, and a personable surgeon would be the perfect fit for our friendly environment. Please check us out at echooralsurgery.com. Email CV to Echooralsurgery@gmail.com: 973-667-5844.

New York

Outstanding opportunity to join a growth-oriented, innovative multi-location OMS practice in Manhattan and the Tri-State region. We have commitments for many new locations in Connecticut, New Jersey and New York. The metropolitan New York City area is an excellent place to live/work with a vast array of educational, cultural and recreational activities. The ideal candidate must possess top skills and display excellent interpersonal skills. The practice is office-based, full-scope dental alveolar and implant surgery under IV sedation and general anesthesia. The facilities and equipment are high quality and digital. Emergency room call and academic affiliations are available. The practice is the employer of choice with the top compensation and equity participation for ideal candidates. Will support and assist in obtaining state licenses and U.S. work permits (including sponsoring green card or U.S. citizenship). Email CV to robert.bodey@mofsnyc.com or contact Robert Bodey at 347-590-9910.
