New Hampshire

Thriving practice looking for an associate in beautiful New Hampshire. We are a well-established, full-scope practice with a broad and loyal referral base. We have an experienced, enthusiastic and energetic staff that has adopted the practice philosophy of treating every patient as though they were a family member. We are looking for an associate who truly shares this philosophy and is willing to work hard to uphold the standards that have made this practice so successful. The right candidate will be a "people person" who is willing to invest time and energy into building relationships with our referring dental and medical communities through participation in after-hours study clubs, professional associations and maintaining privileges at our local hospital. Practice in a vibrant, family-oriented New England community that is an hour to Boston, the coast or the White Mountains. Short path to partnership for the right individual. Reply to AAOMS Classified Box A-0209.

New Hampshire

Established, multi-office, state-of-the-art practice opportunity available in tax-free southern New Hampshire starting July 2022 for board-eligible oral surgeon. We offer a fast track to practice ownership position with flexible buy-in options defined before you start working with us – not after a one- or two-year "associateship." Our approach is more contemporary than traditional buy-in/buy-out practice models, taking you to a higher income level earlier rather than adding more debt to your buy-in and eliminating the burden of buying out retiring partners. Our offices offer the full range of OMS services, primarily office-based dentoalveolar and implant surgery. Enjoy the proximity to Boston, but with all the benefits of living here – seacoast, Lakes Region, White Mountains, great schools and the opportunity to enjoy your personal endeavors while taking care of your patients. Our offices are open Monday to Friday with minimal weekend hospital-call demands. Base salary and production-based bonus from the start. Benefits include continuing education and board preparation, health insurance and retirement options. If you
