

Faculty Positions

Alabama

The University of Alabama at Birmingham School of Dentistry is seeking a full-time faculty member in the Department of Oral and Maxillofacial Surgery for the position of assistant or associate professor. This individual will have a focus in Pediatric Oral & Maxillofacial Surgery. Previous fellowship training in Cleft and Craniofacial Surgery is preferred. The position will focus on the management of patients at Children's of Alabama Hospital as well as University Hospital. This individual must be board-certified or board-eligible in oral and maxillofacial surgery. Academic rank and salary will be commensurate with qualifications and experience and approved through the standard processes of the University of Alabama at Birmingham and the School of Dentistry. This position will be tenure or non-tenure earning. Candidates must be eligible to acquire a license to practice dentistry and medicine in the State of Alabama. Eligible individuals should send a copy of their current curriculum vitae to Dr. Patrick Louis via email: plouis@uab.edu or contact Ms. Karen Waits: kwais@uab.edu or 205-934-5334.

Georgia

Emory University School of Medicine in Atlanta is seeking applications for a full-time faculty position in the Division of Oral and Maxillofacial Surgery at the Assistant or Associate Professor level. Responsibilities include patient care, didactic education and clinical teaching of residents and research. The position includes responsibilities at Grady Memorial Hospital, The Emory Clinic, Emory University Hospital, Emory University Hospital Midtown and Children's Healthcare of Atlanta. The candidate should have an interest in major oral and maxillofacial surgery with a particular interest in trauma management and is expected to actively participate in clinical and research activities. The individual will be expected to participate in the Emory oral and maxillofacial surgery faculty practice. Collaborative opportunities are available with area colleges and universities and public health agencies. The position requires a DDS/DMD degree from a CODA-accredited U.S. or Canadian dental school and completion of a CODA-approved oral and maxillofacial surgery residency program. The candidate should be board-eligible or -certified by the American Board of Oral and Maxillofacial Surgery. Candidates also must be eligible for an unrestricted Georgia dental or medical license. Salary and academic rank are commensurate with experience and qualifications. Emory University is an equal opportunity/affirmative action employer. Applicants should submit their curriculum vitae to: Dr. Gary Bouloux, Chief, Oral and Maxillofacial Surgery, The Emory Clinic, 1365 Clifton Rd., Suite B-2300, Atlanta, GA 30322, email: gfboulo@emory.edu.

Georgia

The Oral and Maxillofacial Surgery Advanced education program at the Dental College of Georgia at Augusta University is seeking candidates for the position of the Program Director. Both tenure and nontenure options are available, although tenure track is preferred. The primary responsibilities of this position are resident education, research and service. This position entails supervision of residents in a busy outpatient clinic located at the DCG and the DCG-AU Surgical Center, the Augusta Medical Prison, on call responsibilities, direct patient care as part of the faculty practice group, participation in research programs and other collaborative activities within the DCG, the AU Medical Center, Augusta University and the community at large. We are seeking an individual with strong commitment to academia, teaching, research, scholarly activity and service to the community. Salary will be commensurate with the candidate's qualifications, experience and credentials. The candidate must have a DDS or DMD degree from a CODA-accredited dental school and be board-certified by the American Board of Oral and Maxillofacial Surgery. The candidate must possess or be able to obtain an appropriate license for clinical practice in the State of New York. We invite all interested candidates to send their curriculum vitae and letter of interest to: Dr. Antonia Kolokythas, Chair, Department of Oral and Maxillofacial Surgery via mail at the Dental College of Georgia, Augusta University at 1120 15th St., GC 1057, Augusta, GA 30912 or via email at akolokythas@augusta.edu. Diversity is fundamental to the Dental College of Georgia. We believe that equity and inclusion are essential to the core of our culture. Our aim is to celebrate our differences and foster an environment of understanding and empowerment. We commit to continuously learn, improve and evolve to ensure everyone feels accepted, respected and valued. The Dental College of Georgia (DCG) at Augusta University (AU) believes a diverse faculty, staff and student body enhances educational opportunities for all students, treatment opportunities for all patients and professional and career development for all employees. An inclusive academic and clinical environment is beneficial to the dental profession, the DCG and the State of Georgia. Augusta University and the DCG are equal opportunity educational institutions that prohibit discrimination on the basis of age, disability, gender, national origin, race, religion, sexual orientation or status as a Vietnam era veteran. Women, minorities, individuals with disabilities and veterans are encouraged to apply.

Massachusetts

The Department of Oral and Maxillofacial Surgery (OMS), Tufts University School of Dental Medicine (TUSDM), is pleased to invite qualified applicants for a full-time faculty position at the Assistant or Associate professor level. The faculty position can either be tenure or non-tenure track depending on experience and qualifications. The duties of the faculty member will include didactic and clinical instruction of students and residents, scholarly activities and service. Participation in the faculty practice is also expected. Candidates with teaching experience are preferred and those with scholarly

and research interests are encouraged. The candidate must have a DDS or DMD degree and be eligible for board certification, or be board-certified, by the American Board of Oral and Maxillofacial Surgery. The candidate must possess or be able to obtain an appropriate license for clinical practice in the Commonwealth of Massachusetts and have a developed or have a developing area of clinical excellence. Academic and clinical appointments and salary will be commensurate with qualifications and experience. We are seeking an outstanding individual with excellent leadership skills to contribute to all aspects of our clinical practice, our educational programs and the research impact of our institution. TUSDM is located on the University's Health Science campus in Boston. The Department of OMS works as a key partner within the School of Dental Medicine and the Tufts Medical Center (TMC). TMC is an internationally renowned academic medical center and health care enterprise. As part of the faculty of the TUSDM, and as an attending at TMC, the surgeon will have the opportunity to collaborate with clinicians, innovators and investigators, becoming part of a vibrant community of health care providers dedicated to making a difference in their chosen field and in patient care. Applications will be accepted online through Interfolio. Interested parties should submit their current curriculum vitae along with a statement describing their scholarly and clinical accomplishments and interests, as well as three letters of reference. Applications are to be submitted electronically using the following link: <http://apply.interfolio.com/11807>. Applications will be accepted until the position is filled. Visit our website at Dental.tufts.edu for more information about Tufts University School of Dental Medicine. Tufts University is an Equal Employment Opportunity/Affirmative Action Employer.

UC is an AA/EOE/Minority/Female/Disability/Veteran. Inquiries may be sent to hawkyne@ucmail.uc.edu.

Ohio

The Ohio State University College of Dentistry seeks a candidate for a full-time assistant or associate professor-clinical track in the Division of Oral and Maxillofacial Surgery and Dental Anesthesiology. The faculty member responsibilities in this position

include didactic and clinical instruction in both pre-doctoral and resident education as well as supporting the overall mission of the division, participation in university and college governance, and participating in the college's affiliated intramural Dental Faculty Practice. Preference will be given to a candidate that has completed a facial cosmetic fellowship with the intent to develop this specialized educational and practice opportunity for the division. Candidates must have a DDS/DMD degree or international equivalent degree and be eligible for a regular license by the Ohio State Dental Board (dental.ohio.gov/Licensure/Dentist). Also, candidates should be board-eligible and/or -certified by the American Board of Oral and Maxillofacial Surgeons. The college completed a \$95 million facility expansion that includes a surgery center creating additional educational and practice opportunities for the division. The college is physically and professionally connected to the Ohio State University Wexner Medical Center and its hospitals. There is also an affiliation with Nationwide Children's Hospital. Both hospital systems are level one trauma facilities and tertiary care centers for the state of Ohio. The applicant is expected to practice full scope of oral and maxillofacial surgery and participate in maxillofacial trauma and dentoalveolar infection call for all hospitals. Candidates must also possess excellent interpersonal and communication skills and a desire to create an environment that promotes collegiality, collaboration and cultural diversity among members of various educational, research and service-related communities. A willingness to serve as a role model and advocate for the ideals of professionalism and high ethical standards in a health science educational setting is essential. Candidates will be expected to engage in research within the college and across other health science units at The Ohio State University and demonstrate high-quality scholarly work, including presentations at professional meetings and publications of basic or clinical research. The Ohio State University and its College of Dentistry are located in Columbus, Ohio, the largest city in the state and the 15th largest in the U.S. As a center of cultural and commerce-based development, Columbus offers an array of opportunities and amenities. Evaluation of applications will begin immediately and will continue until the position is filled. Salary, administrative augmentation and academic rank are commensurate with qualifications. Candidates should submit a personal statement that delineates professional qualifications and career goals, along with curriculum vitae, diversity statement and three professional references by online application only in Workday at <https://osujoblinks.com/fkoo>. For more information about the position and the college, visit dentistry.osu.edu. The College of Dentistry's atmosphere is one of collaboration and inclusiveness, where differences in thought and experience are embraced and celebrated. The Ohio State University is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, sexual orientation or identity, national origin, disability status and protected veteran status.

Ohio

The Ohio State University College of Dentistry seeks a full-time assistant or associate professor, tenure-track in the Division of Oral and Maxillofacial Surgery and Dental Anesthesiology.
