When sponsored by an AAOMS fellow or member, referring dentists and other dental professionals may register to participate in AAOMS online coding and billing courses.

Please Note:

- **Registration is per person. Online courses cannot be taken as a group. A registration form must be submitted for each person taking the course. A *separate* unique email address is required for each registrant in order to access and complete an online course. User names and passwords for the online courses may not be shared.**

- **Once you receive confirmation of registration to an online course, you will have immediate access to the course by using your AAOMS.org credentials. You will have six months to complete the online course. Extensions will not be granted.**

Mail completed form to:

American Association of Oral and Maxillofacial Surgeons
Attn: Registration
9700 W. Bryn Mawr Ave.
Rosemont, IL 60018-5701

Or fax to: 847-678-6279

Please submit one form per person. If registering more than one person, please copy the form for individual use.

Online registration also is available at AAOMS.org/CodingBilling

Current CDT, CPT and ICD-10-CM coding manuals are required for the Basic Coding for OMS course. The ICD-10-CM for OMS course requires the ICD-10-CM coding manual. Current CPT and CDT coding manuals are required for the Coding for Implants and Bone Grafts course. The Medical Terminology and Oral Facial Anatomy 101, Medicare 101 for OMS and OMS Billing courses do not require coding manuals. AAOMS does not provide coding manuals.

There is an audio component to the online courses; a computer with speakers is required.
