# Giveaway and Drawing Approval Regulations

AAOMS encourages creative marketing activities by exhibitors consistent with the highest traditions of the specialty and the professional atmosphere of the Exhibition. This includes giveaways, sweepstakes, contests and prize drawings conducted at exhibitor booths in compliance with all applicable rules and policies governing the Exhibition.

## Deadline

Giveaways at the Exhibitor's booth must be approved by AAOMS exhibit management by Aug. 3. Please refer to the detailed instructions below.

## Sweepstakes, Contests and Prize Drawings

Sweepstakes, contests, prize drawings and similar activities are permitted within the confines of the rented exhibit booth, provided they are conducted in compliance with all applicable laws, Convention Center rules, and regulations of the Exhibition. Exhibitors must submit an AAOMS giveaway and drawing approval form along with a copy of any entry form or other tool attendees may have to complete to be eligible to participate. Rules of the sweepstakes, contest or drawing shall be prominently displayed at the booth or handed out to each participant in advance of participating. Registration for sweepstakes or drawings must be conducted within the confines of the rented exhibit booth and may not distract from other exhibitor displays.

The Exhibitor conducting a sweepstakes, contest, prize drawing and similar activity must disclose the number and approximate value of prizes, the chances of winning such as the odds of winning, and that placing an order will not affect the odds of winning. No sweepstakes or drawing that requires placing an order for a product or service or the purchase of a raffle or lottery ticket is permitted. AAOMS reserves the right as it sees fit to close any exhibitor activity that fails to comply with applicable laws, Convention Center rules, and regulations of the Exhibition. Distribution of prizes shall not be unduly delayed and exhibitors shall not require attendees to be present to win.

## Indemnification

Giveaways, sweepstakes, contests, prize drawings and similar activities at the AAOMS Annual Meeting are subject to all applicable federal, state and local laws and regulations, Convention Center rules, and regulations of the Exhibition. The Exhibitor agrees to indemnify, defend and hold harmless AAOMS, the Convention Center Authority and their respective officers, trustees, directors, members, employees, agents and representatives, from and against any and all demands, claims, causes of action, injury to persons or damage to property, liabilities, taxes, fines, penalties, costs and expenses, including reasonable attorney fees and litigation costs up through and including any appeal that result from or arise out of or in connection with any giveaway, sweepstakes, contest, drawing or similar activity offered by the Exhibitor at the AAOMS Annual Meeting. AAOMS and its affiliated and related entities have no duty, obligation or responsibility to give opinion on compliance with applicable federal, state or local laws or Convention Center rules. Approvals granted through this form and program do not constitute compliance. AAOMS and its affiliated and related entities have no duty, obligation or responsibility to address in any manner any complaint, claim or action that is in any way related to any giveaway, sweepstakes, contest, drawing or similar activity offered by the Exhibitor at the AAOMS Annual Meeting.

All complaints, claims and causes of action, of any type or nature regarding any giveaway, sweepstakes, contest, drawing or similar activity shall be referred to and resolved by the Exhibitor.

## Giveaways

All giveaway items or a description of the item, along with a completed Giveaway and Drawing Approval Form, must be submitted for advance approval by the American Association of Oral and Maxillofacial Surgeons, AAOMS.

AAOMS strongly recommends obtaining approval before ordering giveaways. Exhibitors may be required to suspend distribution of unapproved items.
