

# Exhibitor Marketing Toolkit

**This toolkit is intended to help you promote your participation in the 2026 AAOMS Annual Meeting.**

Use one or more of the elements of this toolkit to promote your company's booth at the 2026 AAOMS Annual Meeting. By promoting your participation, you will motivate your professional connections to register for the meeting, engage with potential attendees in advance and connect with attendees during the meeting. While AAOMS continues its traditional outreach, marketing is about reaching the right audiences with the right messages in the right format. **Marketing to your professional contacts using this exhibitor toolkit can prove to be indispensable.**

This toolkit allows you to announce your participation in the AAOMS Annual Meeting to your network in a simple and "branded" way – as all exhibitors are offered the same materials.

**Exhibitors are invited to promote their involvement in the AAOMS Annual Meeting in these ways:**

- **Use downloadable graphics.**
- **Invite colleagues via a personalized email.**
- **Add a temporary email signature.**
- **Share on social media platforms that have your professional connections.**
