

# AAOMS Annual Meeting Media Policy Agreement

## Meeting information

Credentialed media are welcome to attend most scientific sessions and lectures. Please credit the American Association of Oral and Maxillofacial Surgeons (AAOMS) in published coverage of the 2026 AAOMS Annual Meeting.

*Note: Views expressed in sessions, interviews or informal conversations are those of individual speakers and do not necessarily reflect the views or constitute an endorsement by AAOMS.*

## Media registration and eligibility

AAOMS provides complimentary media credentials to verified media representatives. *Exhibitors are not eligible for media registration.*

## Use of media credentials

Media representatives must comply with all attendee policies and the following guidelines:

- Television cameras/crews are prohibited in educational sessions. Arrange on-camera interviews in advance with [AAOMS Communications staff](#); interviews must take place in public areas.
- Audio recording in educational sessions is prohibited unless authorized in advance for personal note-taking only.
- Videotaping of educational sessions is prohibited.
- If a session is at or near capacity, media representatives should stand at the back of the room.

AAOMS reserves the right to restrict or deny media access to specific sessions. Staff will check credentials at session entrances and notify media representatives of any press-restricted sessions. A list of closed sessions is available in the **108th AAOMS Annual Meeting, Scientific Sessions and Exhibition Media Information Sheet**.

## Media badge revocation

Violations of this policy will result in immediate credential revocation and may affect eligibility for future AAOMS events. Violations include:

- Soliciting advertising, subscriptions or other business from attendees or exhibitors on behalf of a company.
- Promoting a product or service featured at the Annual Meeting.
- Misrepresenting one's affiliation or intent to obtain media credentials.
